Roadstar

Roadstar Luxury Motorhomes

At Lunar motorhomes we are delighted to have significantly increased our sales and production to help us to meet the ever-increasing demand for our product. This has been achieved by designing a product to meet the changing requirements of our customers whilst incorporating the most up to date equipment with state of the art technology. Sourcing equipment from top quality, household suppliers and utilising this to improve and enhance our product layouts is paramount to our success. Dometic fridges, Thetford toilets, Spinflo oven and hobs, Truma heaters, Technoform Italian furniture doors and Belgian designer fabrics are all top suppliers

used by Lunar to produce the Roadstar range. Being part of the Tirus group of companies, whose manufacturing facilities in Belgium, Holland, Sweden and the U.K. produce many thousands of caravans and motorhomes each year, gives us a combined knowledge and expertise in sourcing even the smallest component part.

Lunar have chosen the Fiat Ducato chassis cab with the 2.8JTD engine to provide the power for all the Roadstar models.

The spacious interior of the Roadstar 620

All our luxury motorhomes boast eye-catching graphics

This popular rear lounge model has subtle changes to the kitchen unit with a table storage facility and a new roof locker design. The contrasting shaped windows and the colour coded bumper and side skirts further enhance the stunning new exterior graphics. All Roadstar models still benefit from a one piece GRP roof section, rear end panel and high gloss impact resistant GRP sidewalls.

Roadstar 620

Roadstar 630

Stylish upholstery with smartly piped scatter cushions

The unique clever design of the Roadstar 630 provides a useful dressing area across the front from the shower to the wardrobe, a large rear lounge area and has an adventurous but convenient split kitchen. A large panoramic roof light, Omnivent roof fan, flyscreens and pleated blinds to all double glazed windows, 4 burner hob and full oven are only a fraction of the many features that are standard equipment in the Roadstar range.

Roadstar 630

Front exterior

Roadstar 720

The 720's practical, thoughtfully laid out kitchen area

The well appointed shower and washroom

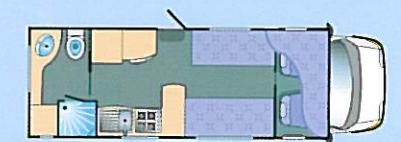

Plenty of room in the storage, accessed from the outside

Rear exterior

A hugely impressive motorhome with a large separate shower and washroom layout at the rear, the Roadstar 720 combines space with a luxurious level of specification. The comfortable and attractive lounge layout is available in a choice of three soft furnishing schemes and converts quickly and easily into a sleeping area. The cleverly designed kitchen boasts a full oven, 4 burner hob unit, loads of storage space and the very latest 135 litre fridge with separate freezer compartment.

Roadstar 720

Roadstar 726

The spacious comfort and elegance of the rear lounge

One of the roomiest motorhomes built by Lunar, the superb 726 combines two separate seating areas, including a huge rear lounge which easily converts into a double bed and a front dinette with two lap and diagonal inertia reel seat belts to ensure child safety when travelling. An occasional table top to the rear drawer unit, designated TV viewing point and storage for both tables are some of the examples of our designers impeccable attention to detail.

Roadstar 726

Fully fitted kitchen

Roadstar 780

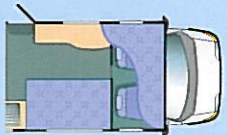

Ingeniously clever use of space with comfort in mind

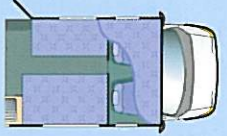

The view seen by our competitors!

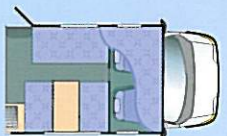

Flexible and uncompromising the Roadstar 780 offers six different front layouts from an offside sofa to a dinette, from a nearside cupboard unit to a lounge seat and all with a fixed rear bed. The fully equipped kitchen has a host of standard items including a full oven, omnivent fan, 4 burner hob and grill unit, 135litre fridge/freezer but still provides a more than adequate storage capacity.

Roadstar 780S/SB

Roadstar 780SSB/TSB

Roadstar 780NSB

Roadstar 780

Roadstar 786

The optional table adds luxury and practicality to our smart seating area

An astonishing amount of underfloor storage, accessed from both sides of the 780

The new flagship of the Roadstar range, this unique layout offers a separate shower cubicle in the rear toilet/shower area, a spacious front lounge with swivel drivers and passenger seats, a comfortable fixed bed and a large fully equipped centre kitchen. The attention to detail of our designers with the dual floor technology not only winterises the large fresh water tank and plumbing between the floors but also gives a vast amount of full width "basement" locker storage accessible from both sides of the 786 and 780.

Roadstar 786

Chassis Specification

- Fiat 127 BHP 2.8JTD common rail direct injection with turbo and intercooler
- Power Steering
- Twin parabola halogen headlights
- Twin arm extra wide wing mirrors
- Locking fuel filler cap
- Heated electric door mirrors
- Drivers seat armrest and lumbar adjustment
- Height adjustable drivers seat
- Digital clock and trip computer
- 12v. socket on facia
- Central locking + electric windows
- Radio with CD player
- Writing surface complete with bookrest and clipboard
- Camping car suspension system (up-rated springs and tyres)
- New stylish wheel trims
- Optional alloy wheels
- Removable cab carpets
- Al-Ko galvanised chassis (720,726,780 and 786)
- Standard Fiat chassis (620 and 630)

Three Year Warranty

The coachbuilt elements of all Roadstar models are covered by a comprehensive 3 year warranty, guarding against delamination and leakage in the main body, structure and flooring.

The warranty cover is provided by Lunar for the first 12 months and MG & B for the following 24 months and is subject to an annual chargeable service by an authorised Lunar dealer

Fiat Reliability and Quality

Lunar have selected the excellent Fiat Ducato 2.8JTD as a base vehicle for their Roadstar motorhomes because of its continued reliability and attractive modern styling. The Ducato has a 24 months manufacturers warranty and MG & B provide a further 12 months cover. Full details of this cover are outlined in our policy document available at all authorised Lunar motorhome dealerships.
