welcome

...to the all-new Xplore 2017 Season touring caravan range

Built on the very same production line as Eddis, Compass and flagship Buccaneer, with the same state of the art technology and detailed craftsmanship, Xplore offers a truly unbeatable package.

Whilst the Xplore range retains all of its award-winning key features and attributes, there are some subtle – and very stylish – changes for 2017 Season.

Great specification, yet lightweight ... easy to tow ... built with SoLiD Construction yet priced to compete with the used caravan market ... the new Xplore range is, quite simply, unbeatable!

Choose from 5 exciting Xplore models...

Xplore

Xplore is the most innovative lightweight value caravan range available today.

The multi-award-winning range features layouts that are both unique and exclusive – and some of the very lightest caravans in the UK.

Every model is compact and easy-to-tow with virtually any car, yet the Xplore's diminutive size belies the spacious and ingenious storage within.

The Xplore range boasts features and specification to outclass its competitors, yet comes at a very affordable price... no wonder the Xplore is synonymous with exceptional value for money.

'Marone' craftsman-built cabinetry with dove-tailed drawers and Easy-Glide bed slats

Island bed (554) retracts to give 40cm extra floorspace

new

Shown with Optional WRAPAROUND Seating

Award-winning OZIO mattress and upholstery construction

Ozio

STRONG LIGHT & DRY

TECHNOLOGY PARTNERS

The most advanced technology used in touring caravan engineering.

The first and only fully-bonded construction system for touring caravans. SoLiD Construction uses a chemical bonding process which is used in Formula 1, aircraft and marine construction.

THE ADVANTAGES OF

STRONG – SoLiD Construction means our caravans offer industry leading integrity and rigidity.

LIGHT – Fully bonded construction enables lighter vehicles which improves fuel consumption.

DRY – Waterproof joints and 95% fewer exterior screws create an impenetrable water barrier.
