

MANHATTAN

QUALITY & STYLE

MANHATTAN RANGE 2000

The Manhattan. A touring caravan that really is the best of all worlds. It's been developed using our unparalleled ergonomic design experience and incorporates all your favourite features into one outstanding tourer.

Now there's simply no choice. Because you can have everything you've dreamed about in a caravan.

On the outside, the Manhattan has been traditionally styled from flat ribbed aluminium panels with a triple front window design. You'll find a lower rear ABS panel including wrap-round light clusters, and a single front ABS panel with a large gas bottle and spare wheel accessories door together with low level front marker reflectors and front indicator repeaters.

Inside, you get the same feel of quality that you would experience in ABI's other ranges.

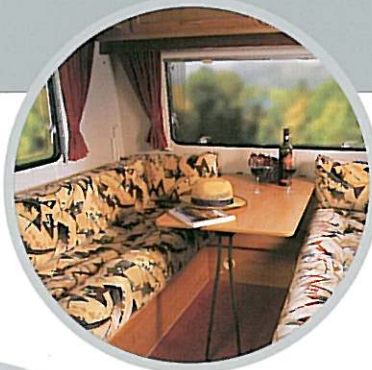

There's a choice of 11 internal layouts and the furniture is constructed mainly from lightweight solid panels. There are stylish ash framed furniture doors, 77 litre fridges (including a full width freezer) and 'no cost' fabric options available in traditional floral or modern abstract design to suit your personal taste.

We think the Manhattan gives you everything you'd want in a caravan.

Modern 'Abstract' fabric option

INTERIOR INNOVATION

- 'No cost' traditional floral or modern geometric fabric options
- Wide range of internal layouts
- Head height of 1.9M/6'3"
- Furniture constructed mainly from lightweight solid panels

- Omni-directional TV aerial
- Detachable wheel trims
- Distinctive smart new graphics
- Single key exterior door locking system
- All windows security etched with Vehicle Identification Number
- Concealed data chip within caravan construction
- ID number stamped into caravan chassis

Bathroom of 510/4

Traditional 'Floral' fabric option

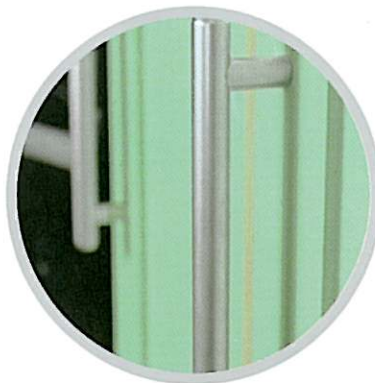

And there's more.
The Manhattan is now
available with the
fresh contemporary
'Papillon' interior
option – right across
the range

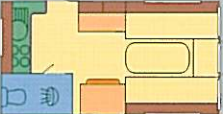

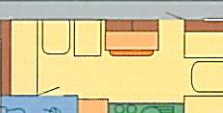

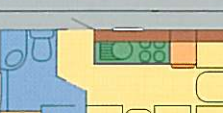

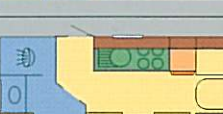

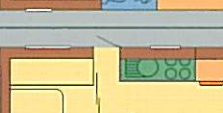

Papillon

Spaciousness and light, fixtures and fittings as you've never seen before in a caravan, fabric patterns and colours to lift the spirits. The light maple furniture and flooring throughout emphasises the luxurious styling and feeling of space. Use of stainless steel and nickel reflects the most up-to-date trends in modern living. Colourways of cool green or dusky blue and cream, bring life and character from the world of home interior design.

If you're looking for an interior that's inspiring, the Manhattan Papillon is what you've been waiting for.

BROOKLYN

QUALITY & STYLE

BROOKLYN RANGE 2000

If you like wide open spaces,
you'll love the new Brooklyn.
It's been designed to match
your desire for greater interior
comfort with our renowned
build quality and design.

If you're looking for
space and light,
the Brooklyn is
your answer.

On the outside the Brooklyn has traditional white aluminium panels with co-ordinated graphics and coachtapes. The front ABS panel of the Brooklyn has a large gas locker access door, with the rear covered in a one-piece GRP panel.

As you step inside the Brooklyn, you'll immediately notice the extra interior width and the Heki 2 rooflight, which combine to enhance the feeling of spaciousness and light within. The interior features aircraft style locker doors with soft, curved features, solid ash framed doors and warm beech coloured furniture. Stylish 'no cost' fabric options with co-ordinated curtains are complemented by matching floor coverings.

Each Brooklyn has a 77-litre fridge with full width freezer compartment, four burner hob, oven and grill. And luxury fittings in the well equipped bathroom add to your comfort (some models include a circular shower cubicle).

There is a choice of 11 different internal layouts. You might like to opt for a dedicated end bedroom, a central bathroom, or one of the more traditional layouts. Whatever your choice - we believe the Brooklyn has everything you've ever wanted in a tourer and more!

Modern 'Check' fabric option

INTERIOR INNOVATION

- 'No cost' fabric options with co-ordinated curtains and floorcoverings
- Aircraft style locker doors with soft curved features
- Wide range of internal layouts
- Furniture constructed mainly from lightweight solid panels
- Stylish ash framed furniture doors

Sprinter

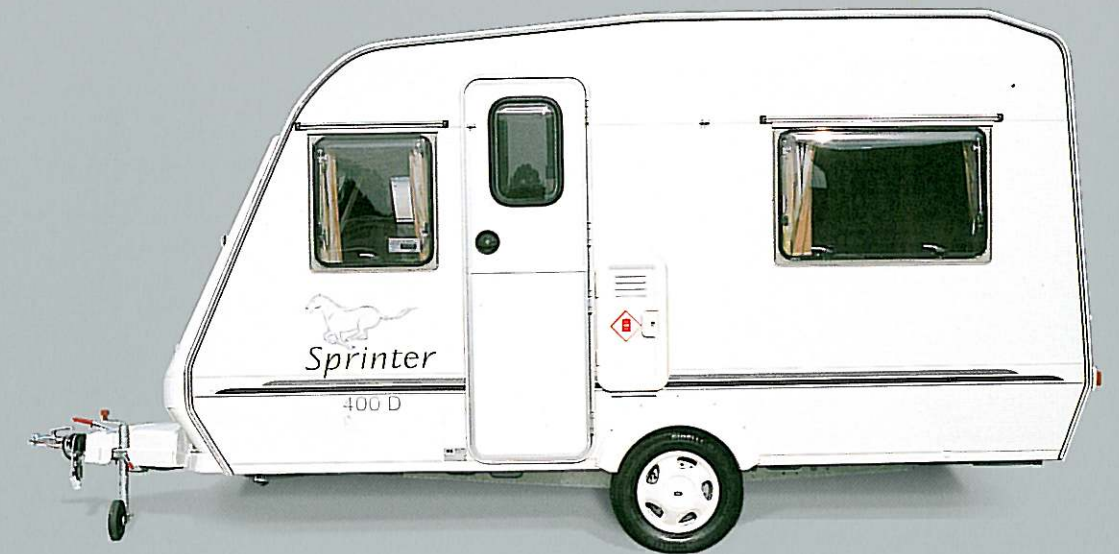

QUALITY & STYLE

SPRINTER RANGE 2000

Looking for an affordable
lightweight tourer with no
compromise on interior fittings
and comfort? Then the
award-winning Sprinter is
the one for you.

Designed to be towed
by a small family car
the Sprinter is a
superb example of
design quality in a
lightweight, compact,
narrow-bodied tourer.

The classical exterior has enhanced graphics and coachtapes, a stable-style entrance door and a contoured, stylish one-piece durable ABS plastic front. And just in case someone else singles out the Sprinter for its good looks, it comes complete with a hidden security chip and all windows are etched with a vehicle identification number for total peace of mind.

You'll be surprised at the comprehensive level of interior fittings. A 60 litre refrigerator, grill and four-burner hob with 'Almond' coloured heat resistant laminated surfaces are standard. Pleasurable surroundings are assured with co-ordinated upholstery chosen from our 'no-cost' fabric options, matching carpet, lined curtains and scatter cushions. Bathroom includes a washbasin along with an integral shower and a mirrored shelving unit.

The Sprinter range has a number of interior layout options, including the all new 450CT five berth with a double bed at each end. So whether it's just the two of you or the whole family, there is a Sprinter just right for you. The choice is yours.

Pale 'Avalon' fabric option

INTERIOR INNOVATION

- 'No cost' fabric options
- Coordinated upholstery fabrics and colour schemes

Award

QUALITY & STYLE

AWARD RANGE 2000

The ABI Award. A combination of outstanding build quality and traditional elegance incorporating superb interior design.

Traditional 'Tapestry' fabric option

The Award's classical exterior is reflected in the stylish looks given by its pitched roof and rear spoiler.

The sleek appearance is enhanced by ABS plastic panels that cover the front and rear, with the back panel incorporating high-level brake light, rear light clusters with stop/tail, fog indicator and reversing lights. And to ensure its superior towing and road holding ability, the Award range has 'Delta' Euro axles and shock absorbers built in as standard.

You'll find the sophisticated interior has been designed to cater for your every requirement. 'No cost' fabric options to suit your own tastes sit comfortably with classic furniture, thick ash edge worktops and luxury upholstery with matching curtains and loose lay carpet. The built-in fittings include a glass fronted Caprice oven, an 86 litre capacity fridge, CD/Radio and cocktail cabinet, plus a new circular luxury shower cubicle (available on selected models).

And for your total peace of mind, every ABI Award is fitted with a concealed data chip and security etched with a vehicle identification number. Available in a variety of interior layouts, the Award range offers exceptional tourers for those who wish to travel in luxury and style.

- Concealed data chip within caravan construction
- Identification number stamped into caravan chassis

Papillon

And there's more...

The Award is now available with the fresh contemporary 'Papillon' interior option – right across the range.*

Spaciousness and light, fixtures and fittings as you've never seen before in a caravan, fabric patterns and colours to lift the spirits. The light maple furniture and flooring throughout emphasises the luxurious styling and feeling of space. Use of stainless steel and nickel reflects the most up-to-date trends in modern living. Colourways of cool green or dusky blue and cream, bring life and character from the world of home interior design.

If you're looking for an interior that's inspiring, the Award Papillon is what you've been waiting for.

*Some specifications, fixtures or fittings in the Award 2000 range may differ to, or be excluded from, the Award Papillon. This is to remain true to the 'clean line' design philosophy that has been applied to the Papillon interior.
