

The 2002 Tourer Collection

Avanté - Odyssey - Crusader

Stylish Innovation

Elddis

The 2002 Tourer Collection

The new Elddis collection represents value for money, innovation and style. With its modern, fresh interiors and striking new exteriors, the Elddis range holds its place as our most popular touring brand. Elddis is synonymous with high quality, design flair and attention to detail. Well-equipped and functional, Elddis products are designed for the touring enthusiast.

Avanté

Whether you prefer a compact two berth, a fixed bed, a larger twin axle model, or something in between, the Avanté range will have a model to suit your needs. With its soft oak doors, chrome fittings and modern fabric, the Avanté interior is airy and spacious. We have included self sprung metal hinges to all roof lockers, a new bunk construction and twin stays to the front gas bottle locker. Optional extras include an exterior wet locker door with liner, a barbecue point, awning warmer system and alarm. With a choice of 7 models, encompassing a variety of layouts, the Avanté 2002 Collection is designed to impress!

Odyssey

The new seven model Odyssey range features new stainless steel grab handles to front and rear, standard high level brake lights, new bunk construction and omni-vent roof light. From the 2-berth Odyssey 432 to the fixed-bed Odyssey 534, each model in the range is designed to be stylish and inviting. New style three quarter height GRP front panel, awning mouldings and hitch fairings protecting the jockey wheel, add to the modern look of the Odyssey's exterior, while fresh, modern fabrics and light oak doors with stylish fittings and a practical design mean that the interior will appeal to the most discerning enthusiast.

Crusader

The Elddis Crusader is the flagship of the Elddis Collection. These beautifully appointed single and twin axle tourers are renowned for their spacious luxury and style. The Crusader range is designed for enthusiasts who appreciate value combined with a truly functional specification. Now with eight models in the range, the Crusader has benefited from a wealth of new features, including increased width, spare wheel on underfloor carrier, Truma Awning Warmer, new bed box construction, waste bin to exterior door and dramatic rear panel. Crusader has a layout to suit every need, including the new fixed bed Aurora and 'L' shape options. A truly magnificent tourer, the Crusader is the first choice for practicality, spacious style and affordable luxury. We know you'll love it.

Modern life is a chaotic, demanding business; we all want exceptional quality but at great value prices. This is the Avanté ethos -

modern affordable style.

Living space in all Avanté models is light and spacious, a feeling which is created through the use of soft oak furniture, fresh colourful Tropic upholstery and Zambesi worktops. The hint of African and Mediterranean styles in the furnishings, combined with contemporary features such as chrome handles, ensure that each Avanté is warm, modern, and inviting whatever the weather outside.

Admire any Avanté from the outside and you'll see those distinctive elements of Eddis design - a streamlined brilliant white body shell, stylish rear light clusters, eye-catching graphics, and 14" steel wheels. Avanté is smart, fun and light - the perfect partner for the open country!

AVANTÉ

For some, a tourer is second only to the home when it comes to where we spend the majority of our leisure time. The Odyssey range was designed with this balance in mind, well appointed throughout it is the only choice for those requiring -

home from home practicality, combined with distinctive style

Each model in the range has been thoughtfully planned, from the careful colourflow of restful green fabrics, wood and metal, through to the optimum use of space. Take an Odyssey kitchen as a prime example; not only are they well organised and efficient, but the Umbriel worktops, Spinflo Midi Prima oven, and the all new Argent recessed sink and drainer would fit superbly in any professional kitchen! Exterior doors are fitted with waste bins, a small but purposeful touch.

Externally Odyssey continues to impress - GRP front panel, status aerial, high level rear brake light and stainless steel grab handles. Practical and stylish inside and out, Odyssey is the complete touring package.

CRUSADER

With Crusader there are no compromises. Each model is an exceptional tourer by any standards - utterly desirable and exuding Elddis design flair and innovation. Crusader interiors are luxurious without being boastful - the perfect place to entertain in stylish elegance. The underlying values of Crusader are

Millennium functionality with cutting edge style

The flagship Supersirocco is the ultimate in twin axle touring; with its rear bedroom configuration featuring permanent double bed, spacious mirrored dressing area, and en suite washroom.

Perhaps the most dramatic Crusader feature is the one-piece ABS rear panel; its smooth lines and graceful curves are complemented by full length stainless steel grab handles and attractive circular road lights. This is a stunning range, for which there is no substitute.

THE EXPLORER GROUP PROMISE

The Explorer Group was formed in 1998 and brought together member companies with a joint history which stretches back over many decades. Throughout that history, value for money has been the central concern of every Explorer Group brand, from design, through the building and testing of prototypes, to construction, fitting and finishing. The wide range of products we currently offer embraces every imaginable lifestyle, and every motorhome and tourer we produce, from the most inexpensive to the most luxurious, is made with craftsmanship, care, and a deep concern for value.

We recognise the value that peace of mind affords on the open road. So, in addition to using the latest materials, components and manufacturing techniques, we offer three years extended warranty as standard, with a further two years at a special price for Explorer Group owners. In this way, we ensure long term peace of mind and enhance the resale value of your investment.

All Explorer Group Ltd. products are covered by a new Water Ingress Code of Practice, which provides certain guarantees to cover owners against financial loss for water ingress repairs for up to 5 years. Ask your dealer for details. To back up our comprehensive warranty programme, we have a truly nation-wide network of dealers who offer excellent service and support.

Details of your local dealer can be found on our new improved website at www.explorer-group.co.uk. The website is the latest innovative addition to our marketing programme and features full details about the Explorer Group, each of our brands and all of our products. It provides a wealth of information on every aspect of our business.

Finally, buying an Explorer Group product means you are eligible to join one of our owners' clubs. With a wide range of activities to take part in, membership adds a whole new perspective to touring. For more information about the Elddis Owners' Club, contact John Harrison, 9 Brookside Avenue, Bedale, North Yorks DL8 2DP.

This brochure has been designed to provide you with basic information prior to making a purchase decision. Please refer to your local dealer for additional information before you buy. The Explorer Group Ltd. reserves the right to alter technical specifications, prices and model ranges as materials and conditions demand and can accept no responsibility for discrepancies between these and subsequent models. Household items illustrated in the brochure (e.g. fruit and personal effects) have been used to enhance photography and are not supplied with the caravan. Limitations in the printing process may mean upholstery colours are not truly represented. It should be noted that distributors and dealers are not the agents of The Explorer Group Ltd. and therefore are not authorised to bind the company by any specific or implied undertaking or representation.

All towing vehicles featured are for display purposes only.

Explorer House, Delves Lane, Consett, Co. Durham DH8 7PE.
