# Welcome to the Bailey of Bristol 2004 Product Portfolio

*Value Added Quality*

The new season's range has been developed using over half a century of experience in caravan design and manufactured in a state of the art production facility to provide the very best in touring home quality and value.

The 2004 line-up features twenty four models from the Discovery, Ranger, Pageant and Senator ranges each offering the core Bailey values of award winning design, first class build quality and unbeatable value for money.

Recognition of these virtues has come with the receipt of an unprecedented two 'Tourer of the Year' titles presented by Practical Caravan and Caravan Industry Magazines to the Senators' Oklahoma and Wyoming, and the findings of the most recent Quality and Reliability Survey undertaken by The Caravan Club where Bailey again attained the distinction of having 'the most satisfied owners of all UK volume caravan manufacturers'.

To really appreciate the quality and value of all Bailey models and to help you make an informed decision about which tourer would best suit your needs, we recommend you visit your local retailer who will be happy to demonstrate why Bailey has become the UK's favourite touring caravan.

Acclaimed by public and press alike, Discovery has made a major impact since its introduction three years ago, with the low-cost light-weight package being instrumental in bringing the joys of a touring caravan holiday to a wider audience. The 2004 range consists of four established multi-berth layouts each capable of providing a mobile base for family holidays that is suitable for a wide range of tow vehicles. Models come equipped with all the amenities people would expect in a modern touring home, including a 3kw Truma space heater, a Spinflo 3-burner hob and grill, a new Thetford 77 litre refrigerator and much more. Plus, for those people seeking that extra level of specification, a Lux pack cost option upgrade, containing blinds and flyscreens to all principal windows, an upper half door flyscreen and a loose fit drop in carpet, is available on all models. So if you're looking for your first touring home then look no further than Discovery, the caravan that is light on its feet, light on your pocket and heavy on quality.

Ranger 470/4

Ranger 470/4

Since its launch nine years ago Ranger has re-written the phrase 'value for money' by providing a range of well designed, well equipped yet affordable touring homes to a new generation of caravanners. The new season line-up offers a diverse range of seven different models, including the new four berth 510/4L featuring an L-shape front saloon and the latest in end washroom design including a single piece circular shower unit and a floor to ceiling walk-in wardrobe with enhanced storage capacity. The 550/6 also incorporates a new end bedroom configuration featuring permanent rear bunks with dedicated storage and lighting. Exteriors boast a stunning new body shell with re-designed high line front and back panels, re-engineered gas locker storage and bold new graphics. Interiors also benefit from the introduction of a full width 'Panoramic' front window which enhances the feeling of light and space, whilst family friendly 'Harmony' soft furnishings and drop-in carpets combine to give Ranger a contemporary new look. Specifications remain exceptionally high for a tourer in this price bracket and all models come complete with a comprehensive manufacturers warranty package plus some of the lightest unladen weights available. All this at an unbeatable recommended retail price ensures Ranger will continue to provide new caravan owners with more for less.
