Your
journey to
happiness.

CHAUSSON
CAMPING - CARS

Taking motor home enthusiasm to new limits.

Your journey to happiness: with Chausson, our passion for motor homes has been transporting the most selective of travelers in search of freedom, from generation to generation, for 25 years. How can such an experience be explained?

Of course, we could talk about the quality of our French manufacturing, our 45,000 m², production plant, or our 130 points of sale in Europe... Or we could point to our digital machining center which produces the bodywork panels. We could even wax lyrical about our simulator which recreates wet driving or parking conditions to test the waterproofing on our vehicles which are covered by a five-year guarantee in this field. Not to mention all the roadworthy tests, conducted on each Chausson, before sale: wheel alignment tests, unladen weight tests, full cleaning... But above all, the idea which lies at the center of our preoccupations is your pleasure living in our motor homes because of their quality, their equipment, and for many of them, their open price.

Yes, at Chausson, happiness is only important if it is available for all!

PRODUCTION METHODS

Customer Services Team in charge of customer reception and advice, as well as relations with distributors (Chausson). Meetings are arranged on appointment.

Simulator recreating driving or parking conditions in the rain, which allows a series of sealing tests to be carried out.

Within a sheltered production unit of over 45 000m² inside, 20 000m² is dedicated to the assembly lines.

Digital machining center for the manufacture of body panels.

Presence of Chausson in Europe.

Before delivery, tests are carried out on each Chausson to ensure it is roadworthy. Wheel alignment, unladen weight tests and thorough cleaning.

LEAKTIGHTNESS GUARANTEED FOR 5 YEARS: the leaktightness in your Chausson motorhome is guaranteed for 5 years (with yearly check-ups at a Chausson-approved dealer).

INTERIOR GUARANTEED FOR 2 YEARS: In addition to the 5-year leaktightness guarantee, Chausson also guarantees the interior decor for 2 years.

INTERNET

If you want to know all about the different models and their features, the network of dealers or simply receive our catalogue - just surf the web to the CHAUSSON Internet site.

Internet : www.chausson.tm.fr

Nous venons là où vous êtes

Offer only available on the French market.

Chausson has chosen LOISIRS FINANCE, financial operator specialized in the financing of recreational vehicles. Consult the internet site www.loisirs-finance.com to simulate your financing offer (reserved for the French market).

HERTZ - the world's n°1 car hire firm has chosen CHAUSSON.

Flash serie

Welcome serie

Allegro serie

Happiness **is always** with the whole Chausson series!

While we seek happiness, we all have our own idea about the path to take to find it. This is why Chausson has created three series which all satisfy the same requirements as to their production quality. Flash, Welcome and Allegro allow each individual to plan trips in their motor home according to their life, desires

and expectations in terms of equipment and financial possibilities. Innovative, high quality and fully equipped, each motor home in the Chausson series will take you far from the beaten path on your journey to happiness!

Flash serie, seeing is believing!

It offers everyone the chance to own a real motor home of very high quality, with all modern commodities and at an affordable price... the new Flash series captures the entire Chausson philosophy in two versions, the cab and coach. You have been warned: with the Flash series, you just won't believe your eyes! (1)

Flash 05

The Ford or Fiat chassis provide exceptional high quality for a very reasonable price: fold down back bed or large storage area, a classic dinette or a panoramic front living area with built-in table extension, storage space, bathroom, kitchen with stove and refrigerator... the cab facilities are also a journey into bliss: power steering on the entire series, as well as central locking on cab doors, electric windows, exterior rear-view mirrors, with electric de-icing and adjustment and a driver's airbag* (1)

*Based on models, see technical features table in the middle of the catalogue.

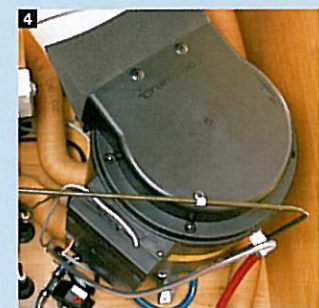

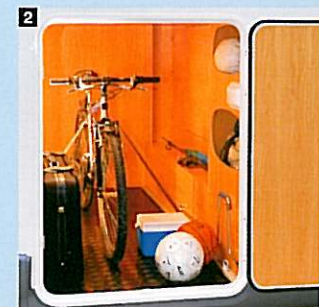

Flash 07

1. Highly practical, the lower back bed lifts up easily to provide a veritable garage.* (1)
2. On the Flash 07, large rear storage area under permanent bed. Passage space 1.15 m x 0.85 m (1)
3. Dual wheel drive for best handling and a large luggage capacity for Flash 07 on the Ford chassis. (1)
4. Room temperature is held in check through a heating system which uses the vehicle's fuel or gas.* (1)

* based on models.

(1) Country dependent / See features table.

Flash serie

(1) Country dependent / See features table.

- 1. A separate and functional shower for the whole family. (1)
- 2. Large capacity clothes closet *. (1)
- 3. Large bunk beds at the rear of the Flash 03 and Flash 05. (1)
- 4/5. The sleeping compartment in the cab lifts up to provide easier access in the cab. (1)
- 6. Flash 05 "Feeling" decor. (1)
- 7. Flash 07 "Coventry" decor. (1)

* Based on models.

CHAUSSEON
CAMPING-CARS

For all those keen to discover the joy of motor homes, Flash is also available in a low profile version.

Combining comfort and safety, Flash low profiles will astound you with the extent of equipment on the series: the interior features a permanent lift-up back bed with exterior access, a classic dinette or a panoramic living room with a built-in table extension, storage space, a bathroom, a kitchen equipped with a stove and refrigerator.

In the cab, you can discover the joys of power steering, central locking for cab doors, electric windows, exterior rear-view mirrors, with electric de-icing and adjustment and a driver's airbag* (1)

* Based on models, see technical features table in the middle of the catalogue.

1/2. Storage space under the back bed (volume variable according to lay-out) with exterior access for sliding items in easily. (1)

CHAUSSON
CAMPING-CARS

Flash 02

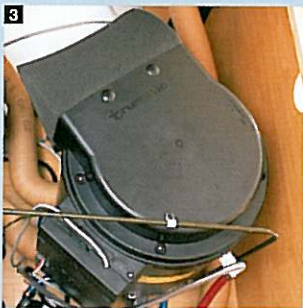

Flash serie

Flash 08

(1) Country dependent / See features table.

Flash serie

1. Large capacity clothes closet*. (1)
2. Attractive and functional bathroom facilities (interior volume variable based on models). (1)
3. Room temperature is held in check by a heating unit which uses the vehicle's fuel or gas*. (1)
5. Flash 02 "Feeling" decor. (1)
6. Flash 08 "Coventry" decor. (1)
7. Enjoy the comfort of a real kitchen with a three-burner stove and stainless steel sink faucets perfectly built-in to the kitchen unit. (1)

* Based on models.

CHAUSSON
CAMPING-CARS

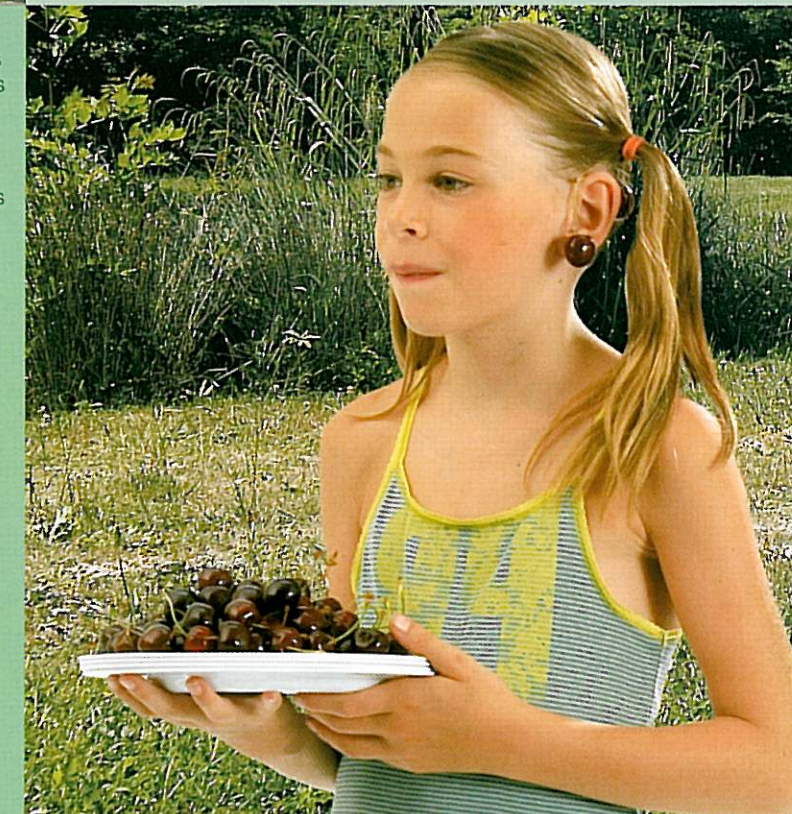

(1) Country dependent / See features table.

Welcome serie, as if by magic.

If the Chausson Welcome series has become the benchmark of family motor homes over the years, it was certainly not by magic: the careful attention paid to interior design, the broad range of versions, irreproachable production quality and carefully studied rates, demonstrate the ultimate in Chausson's expertise! Welcome, the series which will make your trips feel touched by magic. (1)

1. Divided storage area with rails of sliding rings for holding large objects during the trip. (1)
2. Gs heat + water heater combination on all of the Welcome cab series in the range. (1)

CHAUSSON
CAMPING-CARS

Welcome 28

Optimized storage space, comfortable sleeping compartments, a range of layouts, two preferred carrier vehicles Fiat or Ford... The Welcome range has always been the ideal companion for families keen to travel in comfort and safety. With a possible 4 to 7 sleeping compartments*, there is room for everyone aboard the Welcome! And with its large choice of engines, from 110 CH to 135 CH, you can choose the speed you want to travel along the road to happiness. (1)

* based on license.

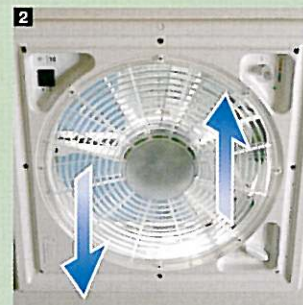

Welcome 18

(1) Country dependent / See features table.

Welcome serie

1. Welcome 28 "Elica" decor. (1)

2. Moon roof ventilator/extractor. (1)

3. The coach sleeping compartment is equipped with a moisture-resistant slatted base and warm air distribution under the bed frame. (1)

4. The coach sleeping compartment lifts up to provide easier cab access. (1)

5. Headboard fitting with spacious storage areas and built-in spotlights. (1)

6. Highly practical L-shaped kitchen (based on models.) Built-in items including 3-burner stove and stainless steel sink faucets. (1)

7. Welcome 18 "Dakar" decor. (1)

CHAUSSEON
CAMPING-CARS

(1) Country dependent / See features table.

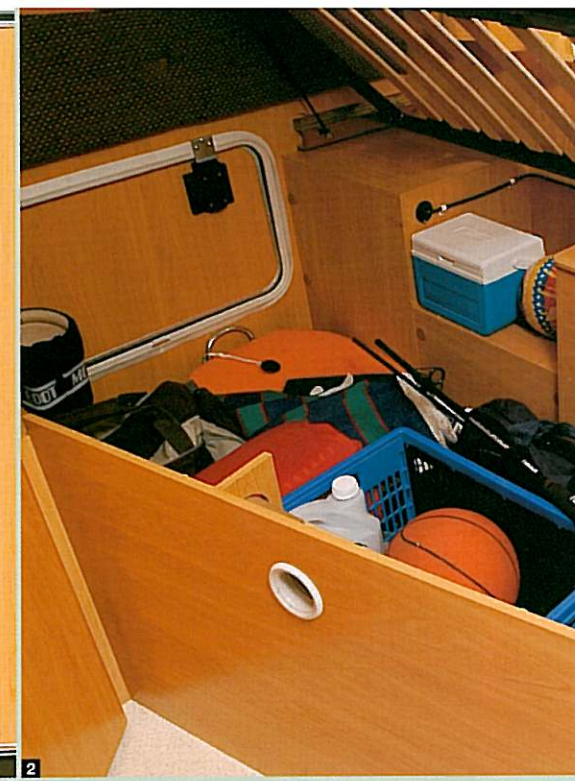

Welcome serie

Compact and functional, 5.99 m by 6.66 m, the Welcome low profile range will take you away with space and comfort. With 2 to 4 seats**, on Fiat/Citroën* or Ford, you will be all set to get away in absolute safety, well beyond the limits of your imagination. Both smart and adjustable, the interior can be rearranged for several layouts according to your needs and desires. Welcome coaches - sharing your passion! (1)

*Citroën chassis only for France. ** Based on license.

Welcome 74

- 1. On Welcome 75, divided storage area with rails of sliding rings for holding large objects during the trip. (1)
- 2/3. Storage space under the back bed (volume variable according to layout) with exterior access for sliding items in easily. (1)

 (1) Certain heavy accessories, such as large blinds or electric generators may be on offer to you on the market. The weight of these accessories will be deducted from the payload and may require a reduction in the actual number of passengers. Thus, the maximum permitted loads on the axles and the PTAC (maximum permitted weight) must be adhered to during full loading of the vehicle.

■ : Can't be fitted on S : Standard equipment O : Option

Allegro series, happiness in the broadest sense of the word.

Chausson has designed the Allegro series for motor home fans who refuse to compromise. With its unique design, the perfect finishing quality, a multitude of top-of-the-range equipment, and a range of layouts, the Allegro series will satisfy even the most stringent of requirements on a Renault or Fiat/Citroën* Alko** chassis. With its 3D development, Chausson has designed so much more than just a different kind of motor home: it is a unique vehicle, almost made-to-measure and on a par with your ideas.

Allegro is a real combination of all of Chausson's know-how! (1)

* Citroën chassis only for France.
** See technical features table.

Allegro 83

Allegro 82

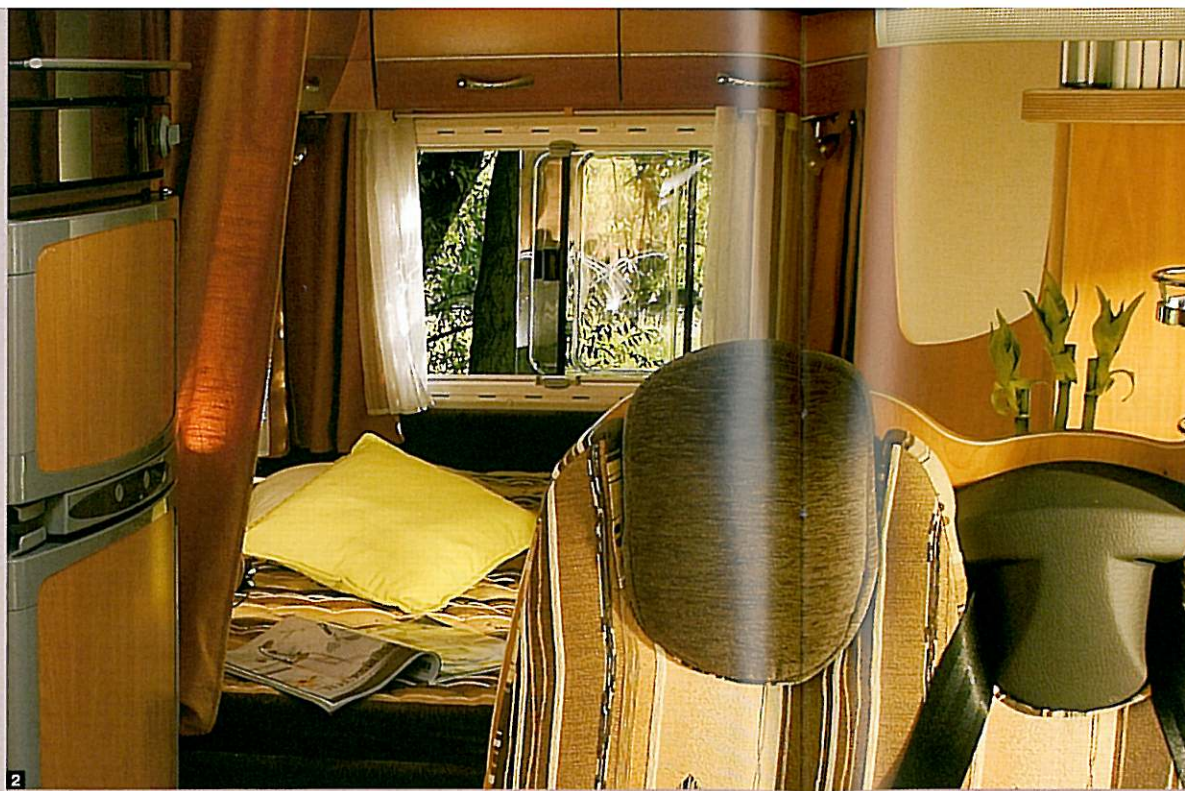

Allegro 67

(1) Country dependent / See features table.

Allegro serie

1. Mosquito screen doors with built-in trash can on entire series. (1)

2. Large permanent back bed on A82. (1)

3. Allegro 82 "Imagine" decor. (1)

4. Allegro 83 "Harmony" decor. (1)

5. The ALKO chassis on the Allegro 67 model has a wider rear wheel tread and independent rear wheel suspension, which guarantee excellent road handling and the ultimate comfort. Also on this model, the rear suspension is equipped with air assistance units* for the whole series to maintain the vehicle trim in accordance with its load*. (1)

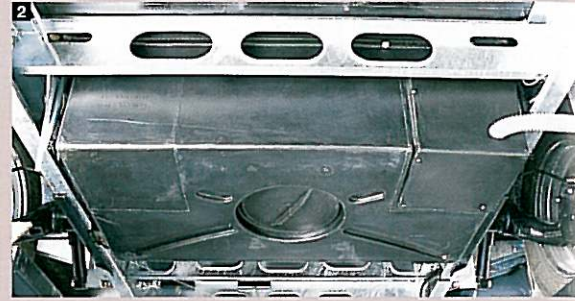

* This system does not authorize exceeding the maximum mass load which is technically permitted.

(1) Country dependent / See features table.

Allegro serie

1. On the Allegro Renault chassis, front and rear trim elegantly designed with a reversing radar and space for a reversing camera. (1)

2. Wastewater tank with freeze-protection.
3. L-shaped central kitchen (based on models). Built-in facilities include a 3-burner stove and a sink with stainless steel faucets. (1)

For passenger comfort, the Fiat/Citroën*/Ford/Renault carriers combine a road heating unit with that of the carrier**. (1)

*Citroën exclusively reserved for the French market. **In certain cases, this function is fulfilled by a heating system using the vehicle's fuel (see features table).

Door locks include grips (except for gas tank door). (1)

Seitz Bay on the whole Welcome/Allegro series. Bay with glazing for Flash. (1)

All kitchens and bathrooms are equipped with stainless steel faucets. (1)

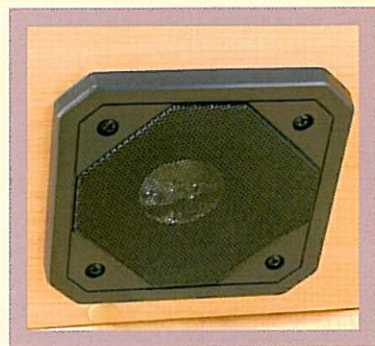

Moon roof ventilator/extractor on all Welcome/Allegro models*. (1)

*On certain models, fitting the Remistar moon roof (available as an option) would replace the moon roof ventilator/extractor.

Prewired for TV on the Flash/Welcome/Allegro series. (1)

Each model is radio-ready in the cab and interior*. (1)

* cab only for Flash.

Directional halogen spotlights provide additional lighting. (1)

Control system dock with digital display. (1)

The headrest covers on all of the models are removable. (1)

Excellent sleeping comfort thanks to the high density mattress on Allegro models. (1)

A real slatted bed frame for all of the permanent beds of the series. (1)

Battery compartment with cover on most models. (1)

TV unit on most models in the series with sliding trays on Welcome* and sliding trays with flat screen stand on Allegro. (1)

*Except Welcome 9

Exterior lighting is provided on all models in the Welcome /Allegro series. (1)

More light and air ensured by the panoramic moon roof in all living rooms in the Welcome/Allegro coaches. (1)

THE KITCHEN: A LIVING SPACE IN ITS OWN RIGHT

Several types of kitchen are available according to the layout. But all satisfy the same criteria: to offer you an ergonomic, functional kitchen area which is pleasant to live in. Feast your eyes! (1)

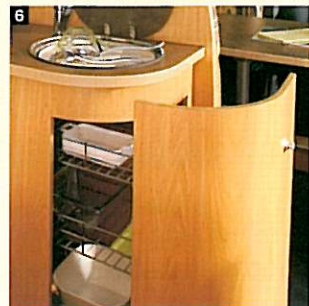

- 1.** Shelving, adjustable in height, with adjustable compartments to suit your storage needs. (1)
- 2.** Central L-shaped kitchen or single standing unit, all kitchens have built-in fixtures with

- a three-burner stove and sink with stainless steel faucets. (1)
- 3/4.** A variety of smart kitchen storage options keeping things handy and fun. (based on models). (1)

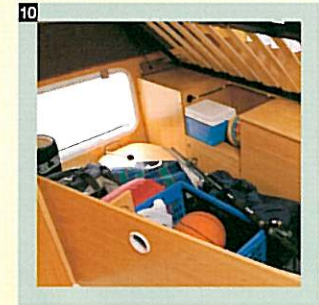

- 5.** Built-in trash can in the kitchen unit in most models. (1)
- 6.** Very handy, this sliding storage basket will surprise you with its capacity. It is ideal for bottles

- and kitchen utensils (on Allegro). (1)
- 7.** A highly practical storage cupboard, allowing you to keep everything close at hand (on Allegro). (1)

TIDY HOME, TIDY MIND

Aboard the Chausson, there is a wide range of stocking and storage options. Several types of solutions exist, depending on layout. All our door locks include a grip system (except for gas tank door). (1)

- 8.** Practical, the lower sleeping compartment at the rear lifts up to provide storage space for a bike and moped, on models with bunk beds. Another advantage is that there is a one-piece mattress and the bed can therefore always remain made! (1)
- 9.** A real garage with lots of access space (see the technical features table) to store bikes, mopeds and even a motorbike. (1)
- 10.** With all the storage space under the permanent beds, there is no easier way to store your supplies, luggage or leisure equipment. With jacks to lift the bed easily (one-piece mattress) and exterior access through large doors, this storage will very quickly become vital for you! (1)

BATHROOM COMFORT

With Chausson, you can enjoy traveling at the same time as appreciating the comfort of a real bathroom with all the modern commodities! Spacious, roomy and attractive bathrooms all have a separate shower, a chemical toilet (with flush and built-in 12V water refill pump) and a built-in basin. In addition, a range of smart storage ideas optimize space (variable volume according to layout). (1)

(1) Country dependent / See features table.

RETIRING TO THE LIVING ROOM

Chausson motor homes favor conviviality and space! With a classic dinette or panoramic living room according to layouts, you can choose your own type of dining arrangements. In a couple, with the family or among friends, a cab blackout curtain ensures that your evenings remain intimate (on the whole Welcome/ Allegro series). Avoid fuss through built-in table extensions (on the majority of models). In a flash, invite your friends for an aperitif before dinner, set around the table for dinner or organize a little party, just like at home! (1)

CHASSIS

Power steering. (1)

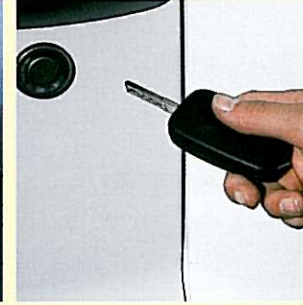

* French Market only.

Large exterior, defrosting mirrors that can be adjusted electronically. (1)
