- Adjustable steering wheel position
- Concertina windscreen blind and side window blinds
- Cab carpet (removable)
- Lockable (Laptop PC size) central storage box
- Driver and passenger gloveboxes
- Door pockets with bottle holders
- Two DIN sockets
- Auxiliary heater for en-route heating of living area - standard in 680FB and optional in other models together with 130 MultiJet engine

Body and Exterior equipment

- Thick gauge one-piece aluminium side walls finished in gloss white
- One-piece GRP roof supported by 34mm sandwich construction
- Integrated longitudinal roof bars (load-carrying cross bars optional)
- Covered recess for optional awning
- 70mm thick sandwich construction floor
- Full GRP rear panel with high level brake light and camera housing
- Over-cab pod with double-glazed sunroof
- Gloss white finished front bumper
- Strong extruded aluminium skirts
- Entrance door with gas-strut open retention, waste bin and opening window fitted with flyscreen and blind
- Service door for underseat/bed storage
- Fully double glazed opening windows with night-latch ventilation
- Spare wheel and tyre on underslung carrier with remote winder for lowering
- Flush fitting exterior light
- Compartment for 2 x 7kg gas bottles with fitted butane/propane regulator
- Fixing points for rear-mounted cycle rack

Living Area

- Locarno Apple woodgrain furniture with matt chrome mouldings and details
- Choice of soft furnishing schemes, Nairobi or Araco
- Swift Group patented 'spaceframe' locker construction
- Concertina adjustable blind for cab sunroof
- Heki skylight with flyscreen and adjustable blind
- Mini-Heki skylight with flynet and adjustable blind
- Flyscreens and blinds fitted to all windows
- Bed mattresses and lounge area seat cushions supported by beech slats in strong aluminium frame
- Sprung interior mattresses, seat and backrest cushions
- Scatter cushions
- Seat backrest ventilation boards
- Free-standing table with dedicated storage location
- Adjustable swivel-arm coffee table
- Flat-screen TV bracket (except 630EK)
- Removable carpets over woodblock effect vinyl flooring
- Domestic style mortice locks on washroom and wardrobe doors
- Removable stepwell mat with embroidered brand logo
- Entrance doorway grab-handle

Kitchen

- 180 litre fridge with Smart Energy Selection (SES), digital controls and wine storage area in 630EW and 680FB
- 107 litre fridge with Smart Energy Selection (SES) and digital controls in 630EK and 630PR
- Removable drainer with dedicated storage
- Food grade nylon chopping board with dedicated storage
- Chrome finish brass pillar tap with long spout
- Stoves stainless steel thermostatic oven and separate grill
- Stoves dual fuel hob with 800W electric hotplate and 3 gas burners with electronic ignition and flame failure protection
- Glass hob lid with safety cut-out feature
- Curved kitchen extension containing storage carousel (except 630EK)

Washroom

- Shower cubicle or separated shower area
- Lower cupboard with built-in washbasin
- Overhead storage locker
- Thetford swivel cassette toilet with electric flush
- Chrome finish brass shower and mixer taps
- Skylight with flyscreen

Heating and Plumbing

- 6kW gas and 2kW electric combi-boiler providing blown air central heating and hot water supply
- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- 90 litre external insulated fresh water tank with level sensor
- Pressurised fresh water system with self-priming pump
- 68 litre waste water tank with level sensor

Electrical

- Mains 230V supply via ELCB/MCB distribution board to sockets, fridge, optional microwave oven, combi-boiler and battery charger/transformer
- 16amp charger/transformer for leisure battery
- Three mains 230V sockets

- 12V control panel over doorway with touch controls for:
 - Vehicle/Leisure battery selection
 - Water pump and lighting circuits
 - Programmable or manual control of heating and water heating
- Selectable display of:
 - Time and date
 - Internal temperature
 - Tank levels
 - Vehicle and leisure battery state
- 110 amp-hour leisure battery in underfloor compartment
- Vehicle battery drain protection
- Solar panel connection provision
- Status 530 directional aerial and booster
- TV station with 230V, 12V and aerial sockets; DVD socket pre-wired to cab
- 25 metre mains hook-up cable

Factory Fitted Options

- 130 MultiJet engine and en-route heater in 630PR, 630EK and 630EW
- Fiat cab air conditioning system (with 130 MultiJet engine only)
- 800W microwave oven built-in to ventilated surround
- Chest of drawers in lieu of wrap-around seating 630PR
- Detachable towbar (conforming to 94/20/EC) including electrics
- Alloy wheels
- Roof crossbars and ladder
- Optional 'Araco' fabric scheme

Ace

Conventional chassis - floor level with cab

All Swift Group models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice specifically relating to health and safety issues. The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions, to gas, electrics and ventilation. Every Ace motorhome carries the "NCC Approved Motor Caravan" badge. The NCC also conduct unannounced inspections at the Swift factory to ensure continued compliance. NCC Approval gives you peace of mind that your motor caravan is legal and safe.

All Ace motorhomes are European Whole Vehicle Type Approved.

We believe that the Swift Group is currently the only UK manufacturer to have this approval. This is your assurance that these motorhomes meet all European regulations, and have been constructed and conform to approved standards of safety and manufacturing.
