STAR RANGE

STAR PLUS RANGE

DRIVING RANGE

Autocruise Ranges

AUTOCRUISE

Autocruise provides you with a wide choice of vehicles created specially for your enjoyment. They are stylish, agile, well specified and include award winning designs and features.

The latest ranges go from strength to strength with three distinct levels of specification to choose from in the Autocruise coachbuilt family.

The family starts with the Star range which offers the core Autocruise values of innovation combined with craftsmanship and comes with a choice of 5 models including two new layouts.

It moves on to the new Star Plus range which offers all the benefits of the Star Series with the added benefit of an AL-KO chassis for superior driving performance.

At the top of the family tree is the upgraded Driving range which now comes with top class vehicle and accommodation specification as standard.

Quality and customer service

Using manufacturing processes that adopt the latest technology coupled with traditional craftsmanship and innovative design, Autocruise produce motorhomes that are comfortable, practical, strongly constructed, highly innovative and regularly win major industry awards.

Our ongoing investment in technology, equipment and our employees ensures that you receive a high quality of vehicle and customer service. Our after sales team are dedicated to making sure your Autocruise experience remains a passport to years of trouble-free holidays.

Autocruise elegance and personality

"A smile is a curve that sets everything straight" - Phyllis Diller

Our new ranges are perfectly proportioned with contemporary curved lines which unite to create motorhomes of true stature and elegance. Trimmed with the finest materials and with caring attention to detail, we've looked at the needs of our customers and combined practical improvements with aesthetically pleasing interiors.

Finishing touches common to all ranges include:

Construction

Tough yet light aluminium sections form a strong, rigid frame, side walls are finished with 1.5mm impact resistant GRP

Exterior door

High quality Seitz double locking burstproof habitation door with opening window

Work top extensions

Swing out and lift up extensions provide ample worktop space

Positive locker catches

Elegant handles with built-in catches on locker doors provide secure storage on the move

LED lighting

Mainly 12V LED lighting saves energy, giving typically three times longer battery life

Electric step

A handy retractable electric step provides easy access to the living accommodation

Star Range

Sportstar
Stargazer
Starspirit
Starblazer
Starquest

1. Exterior locker
2. Storage drawers
3. LED spot light
4. Domestic style washroom door and lock
5. En-route heating of accommodation area
6. Easy access drop down bed flaps

A series of motorhomes designed for the connoisseur, providing you with an inspiring combination of agility, space, comfort and practicality.

The Star Range incorporates five models carefully crafted to meet specific needs, including two new layouts – the Starquest a true family model with four travelling and sleeping positions and the Sportstar, an ultra low profile compact three berth model with permanent rear bed and 'garage' style storage area underneath. The Starblazer now has four berths and travelling seats to complement its vast storage locker.

The range benefits from the considerable care and attention that has gone into the interior design. This includes push button locks on roof locker doors for secure loading, domestic style washroom door and lock, energy saving soft white LED lighting and the capability to use the Truma blown air heating on the move.

These touches are in addition to high quality kitchen and washroom areas with some models featuring the award-winning SwingWall Shower™.

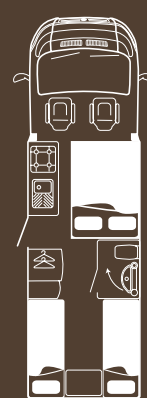

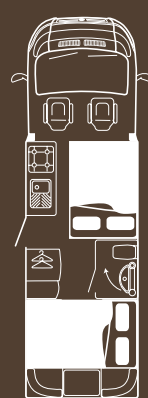

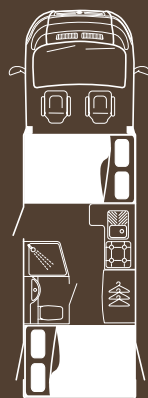

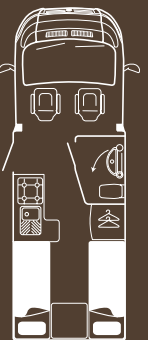

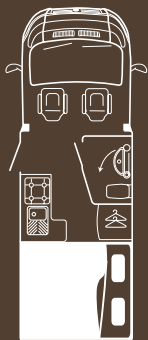

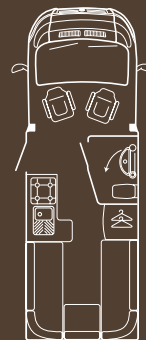

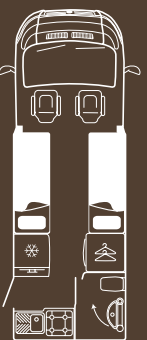

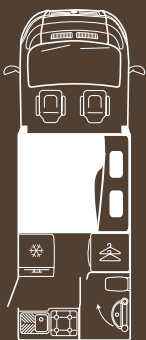

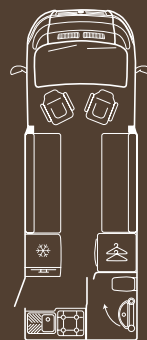

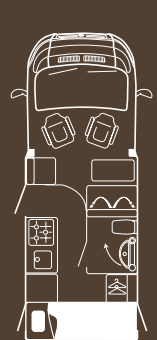

Star Range

Key Features

- 130 bhp, 2.2 litre engine with 6-speed gearbox (New Sportstar 100 bhp, 2.2 litre 5-speed; 130bhp 6-speed optional)
- NEW Ultra low profile body shell, 2.65m (8'8") (Sportstar, Starspirit & Stargazer)
- Low profile body shell, (Starblazer & Starquest)
- Impact resistant 1.5mm GRP sidewall finish
- Swivelling & height adjustable driver & passenger seats
- Radio/CD player
- Windscreen blind and thermal side screens
- NEW Mainly LED 12V soft white lighting giving typically three times battery life
- NEW Push-button locks on roof locker doors
- Skyview opening roof window on Sportstar only (optional on other models)
- NEW 112 litre automatic energy selection fridge/freezer (80 litre electronic ignition in Sportstar)
- Truma Combi 6kW/2kW dual fuel space and water heating (Sportstar, Starspirit & Starblazer)
- Truma Ultraheat dual fuel central heating (Stargazer & Starquest)
- Truma Ultrastore dual fuel water heating (Stargazer & Starquest)
- NEW Capability to safely use Truma equipment en-route
- NEW Domestic standard washroom doors and locks
- Spare wheel and tyre

Lux Pack:

- Roll-out canopy awning
- Portable Sat nav with Western Europe cover and full postcode entry
- Colour reversing camera with infra-red night vision and sound
- 15" LCD colour TV with integrated Freeview and DVD player

Sportstar

Stargazer

Starspirit

Starblazer

Starquest

Star Plus Range

Starburst
Stardream
Startrail

1. AL-KO chassis with rear corner steadies
2. Provision for TV
3. External shower point
4. Two mains lights in front lounge area
5. Truma Combi-boiler with en-route capability
6. Flush fitting aluminium framed windows

The Star Plus range offers all the benefits of the Star range with the addition of an AL-KO low-line chassis designed to improve stability, road holding and cornering performance.

The AL-KO chassis also comes with rear corner steadies for more stability when you arrive at your chosen destination. The smart flush fitting framed windows add to the exterior style

This ultra low-profile range offers three popular models, with the award winning Starburst, Stardream and the recently added Startrail with a fixed rear bed.

All layouts have a spacious 'L' shaped kitchen, separate shower areas and a powerful Truma Combi 6kW dual fuel space and water heater. These models are designed for comfort and driving performance with a 130bhp engine with six speed gearbox as standard.

Both the Star and Star Plus ranges can be upgraded with the optional 'Lux' pack consisting of an awning, Sat nav, colour reversing camera and a 15" flatscreen TV with Freeview and DVD player.

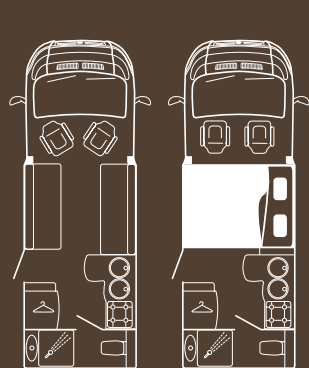

Star Plus Range

Key Features

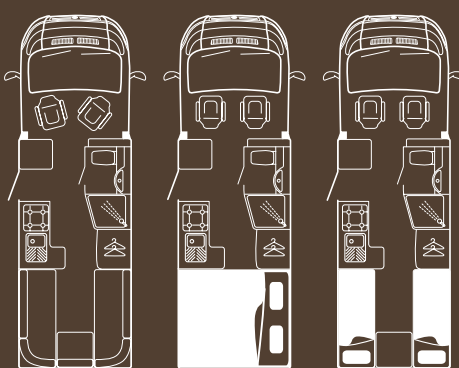

- AL-KO low line chassis with 3500kg gross weight
- Ultra low profile body shell, 2.65m (8'8")
- 130 bhp 2.2 litre engine with 6-speed gearbox
- Swivelling & height adjustable driver & passenger seats
- Radio/CD player
- NEW Mainly LED 12V soft white lighting giving typically three times battery life
- NEW Push-button locks on roof locker doors
- NEW 175 litre automatic energy selection fridge/freezer in Startrail
- NEW 112 litre automatic energy selection fridge/freezer in Starburst and Stardream
- Impact resistant 1.5mm GRP sidewall finish
- Windscreen blind and thermal side screens
- NEW reading lights for cab seats
- Two 230v lights in front lounge
- Truma Combi 6kW/2kW dual fuel space and water heating
- NEW Capability to safely use Truma Combi en-route
- NEW Domestic standard washroom doors and locks
- Rear corner steadies
- Flush fitting aluminium framed windows
- External shower point
- Status 530 directional TV aerial
- Spare wheel and tyre

Lux Pack:

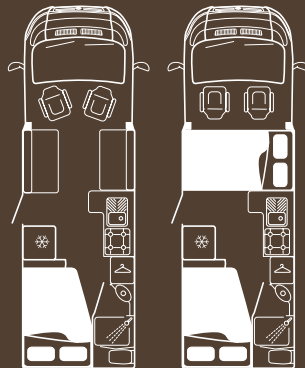

- Roll-out canopy awning
- Portable Sat nav with Western Europe cover and full postcode entry
- Colour reversing camera with infra-red night vision and sound
- 15" LCD colour TV with integrated Freeview and DVD player

Driving Range

Augusta
Gleneagle
Oakmont

1. Alde radiator central heating and hot water system
2. Cab air conditioning
3. Portable Sat nav and reversing camera
4. Cooker hood
5. Pelmet concealing curtain track
6. 'Skyview' panoramic roof window over front cab area

The Driving Range consists of three larger motorhomes providing even more space, innovations and technology as standard. All models are built on an AL-KO chassis giving a better overall quality of ride and the benefit of rear corner steadies.

A new higher specification firmly positions this range in the luxury market sector with: alloy wheels, cab air-conditioning, cruise control, roll out awning, Sat nav and skyview panoramic opening roof window (except Oakmont) all fitted as standard. Details like fresh and waste water tank heaters make these models true all year round motorhomes.

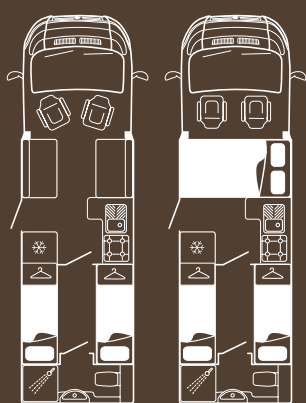

Other top of the range features include Alde radiator central heating and hot water system, cooker hood, built-in microwave oven and a reversing camera.

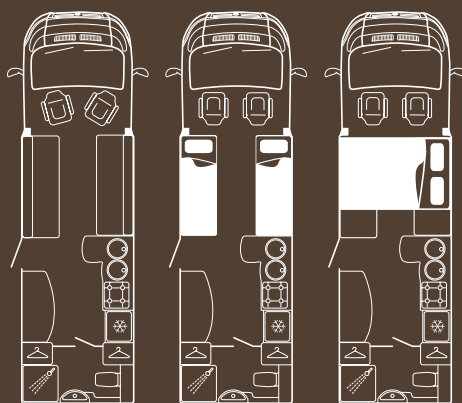

Driving Range
