Lightweight Luxury from Lunar

2009 Caravan Range

Lunar - 40 years of Excellence

Lunar are now entering their 40th season of being THE leaders in lightweight touring technology.

Lunar was established in 1969 by co-founders Brian Talbot and Ken Wilcock, both of whom worked as joiners for Knowsley Caravans, before setting up Lunar.

In 1969, Inspired by the moon landing mission Brian Talbot and Ken Wilcock chose 'Lunar' as the name of their caravan manufacturing business. Initially based at Earnshaw Bridge, Farington, near Preston, Lunar then moved to a former mill site in Lostock Hall. In 1971 Brian and Ken renovated the Lostock Hall site using their own joinery and building skills to incorporate a storage area and manufacturing plant and in 1975 Lunar ventured into the static caravan home and motorhome markets to complement its touring caravan range.

In 2000 Lunar was purchased from Brian Talbot and Ken Wilcock by the Tirus Group who already had a number of Caravan and Manufacturing plants in Europe and it remained under this ownership until November 2007 when a management buyout secured the company's return to British ownership.

Now freed from its European shackles Lunar has already invested in new facilities and looks forward to many more years of successful manufacturing.

Pictured on the opposite page the first Lunar Caravan ever built in June 1969.

Lunar Caravans 2009

Live a Lunar Life

The Lunar Landscape 2009

Lunar's 2009 caravan collection is quite simply superb.

New layouts, extensive increases in specification, smart design and high quality fittings and furnishings are matched with smooth, external styling in a package that is famously MUCH LIGHTER THAN ANY OF OUR RIVALS.

2009 welcomes the major redevelopment of the family orientated Quasar range. The 2009 Quasar line up consists of seven models with three brand new layouts in the range. The Quasars offer a light and airy interior due to the careful choice of fabrics, design accessories and the increased size and number of roof lights that let in an immense amount of daylight. Specification in this range is also high with features such as a Thetford C250 Swivel toilet, 112 Litre Electronic fridge, microwave, radio/CD player, multi-directional TV aerial and an AKS Stabiliser.

ALL the Lunar ranges also benefit from extensive upgrades in design and specification that not only enhance the luxury offered by Lunar but also offer practical benefits to the modern day caravanner as well. Features including new exterior aluminum profiles across all ranges give the 2009 exteriors a fresher and more modern feel, a new style battery box, easy to use aluminum fixed bed frames, sprung upholstery, lift up front beds and front locker storage access offer great storage and all add to the luxurious feel of ALL Lunar caravans.

Of course this brochure can only offer you a taste of Lunar quality. With so many great reasons to choose Lunar it's time you paid a visit to your local approved dealer or visit our website www.lunarcaravans.com. With so many models to choose from, WE KNOW THERE'S A SUPERB LIGHTWEIGHT LUNAR THAT'S PERFECT FOR YOU!

For exclusive news updates from Lunar register your e-mail address at www.lunarcaravans.com

Lightweight Luxury

Ask any experienced caravanner and they'll tell you Lunar's are best known for their weight... or rather every Lunar's LACK of it!

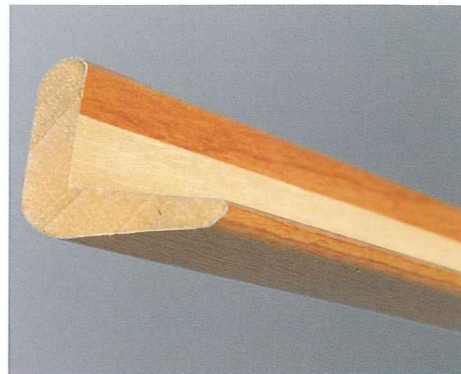

In all the years Lunar has led the way, there has been no serious competition to our impressive weight advantage from the ordinary caravan manufacturers... With fuel prices climbing ever higher, when it comes to the filling up at the pump, that's a BIG advantage in your pocket!

Our Caravans are as Much as 15% Lighter than the Competition!!

Lightweight yes – but without compromising on strength, quality, durability, practicality or those great looks.

We're also pleased to announce that our superb caravans have once again been recognised for their exceptional lightweight construction, top specification and sheer quality

with our unique Ariva being presented with the prestigious 2008 best in class award by The Caravan Club for the second year running. Lightweight yes - but without compromising on strength, quality, durability, practicality OR those great looks.

Up to 15% Lighter than the Competition!

Why?

- Greater Fuel Economy
- Easier Maneuverability
- Reduced Carbon Footprint
- Option to use a Wider Range of Towing Vehicle

How?

- 40 years experience of building lightweight caravans
- We utilise only the lightest, strongest materials and pay meticulous attention to the smallest detail to save weight.
- Use of specially imported Obeche hardwood which is up to 30% lighter than alternative products
- Collaboration with suppliers to develop lightweight and quality components.

Live a Lunar Life

Warranty

Lunars are famously well built and reliable, but for total peace of mind ALL Lunar Caravans are supplied with a 6 year body shell integrity warranty and a 3 year manufactures backed warranty (specific exclusions apply). (subject to an annual service and inspection and excluding items subject to normal wear and tear).

Each Lunar model has been certified by the **NATIONAL CARAVAN COUNCIL** for compliance with stringent European Standards, British Standards AND the industry set Codes of Practice that specifically relate to health and safety issues.

The approvals process covers the testing and inspection of all critical areas of the product from fire safety, weights and dimensions through to gas, electrics and ventilation. In order to ensure Lunar's continuing compliance with their stringent standards, the NCC also carry out unannounced spot inspections at the Company's Preston factory.

Every caravan carries the 'NCC Approved Caravan' badge that gives you the peace of mind in the knowledge that your caravan's both fully legal AND safe.

Touring caravans are designated by the model year which runs from 1 September to 31 August.

The despatch of 2009 models commences on 1 September 2008.

Soft Furnishing Combination Options

Lunar have carefully selected the standard soft furnishings to look great in each model range. However for a small additional fee (and subject to availability) you may choose any soft furnishing combination from the 2009 range for your caravan. In addition to this there is a luxurious Leather option available for Lexon, Clubman and Delta Caravans.

MRO Information

The stated Mass in Running Order, 'MRO', includes a manufacturer's tolerance that reflects the varying individual weights of component parts. It is anticipated that the stated figure will NEVER be exceeded in the standard ex-works specification.

Special L Shaped Layout Option

A popular choice amongst caravanners who like to relax in real comfort, Lunar's L shaped layout option offers a spacious seating area at the front of the caravan that can be converted into a large front double bed. In addition this layout provides a long offside picture window and a neat floor cabinet – ideal for parking the TV on when you want to put your feet up!

The L shaped layout option is available as a special order (at an additional charge) on selected models.

2009 Clubman & Delta

Undoubted design classics, the single axle Clubman and twin axle Delta ranges represent the peak of modern luxury caravan styling. The sharp graphics, eye catching 'Privacy' tinted windows and stylish light clusters featuring the latest LED bulbs create striking exteriors. These superb ranges, offering a choice of three models for the Delta's and four for the Clubman's and set the benchmark in touring quality and design.

Step inside and the elegant curves of the furniture draw the eye past the spacious work surfaces with their rich marble effect surfaces, and ample storage to alight on pleasing and practical details; the large Dometic 8 Series fridge with a stylish high gloss black finish; the smart new furniture handles, the top quality 20 litre/800 watt fitted digital microwave oven and cutting-edge sound system with DVD, CD, MP3 and radio. The luxurious, fully sprung upholstery and luxury sprung fixed bed mattresses add to the feeling of quality and comfort. All models also offer industry leading headroom with ceiling heights of 1960mm.

With such desirable models you'll be concerned about security too. With the high tech AL-KO ATC antisnake system, a stabiliser for maximum stability, an AL-KO Secure wheel lock (two on the Delta) and a burglar alarm ALL fitted as standard you can relax with real peace of mind, with towing or on-site.

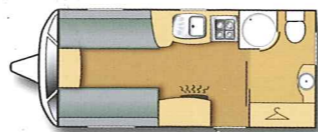

This highly regarded range is also award winning; the 2008 Clubman ES won the prestigious Practical Caravan Magazine 'Tourer of the Year Award' and the Clubman EB came 'Highly Commended' in the 2008 Which Caravan Magazine Award.

2009 Lexon

The hugely popular fixed bed Lexon range comprises a mix of twin and single axle models. Based on a body with industry leading width they deliver exceptional comfort all with large fixed beds, great washrooms and ALL the space you need to relax. The Lexon range for 2009 offers great style, quality, value and a high specification.

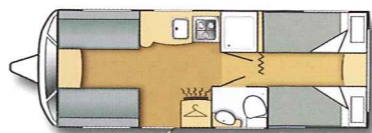

Lunar have improved the Lexon range for 2009 with the addition of sprung upholstery throughout, sprung mattresses, new 'user friendly' aluminum bed frames, lift up front beds and full length drop down access lockers to the front beds. Offering additional comfort and storage these features make this already popular range the ultimate caravans for fixed bed tourers.

Keynotes

- The 4 model Lexon range offers luxury fixed bed models ideal for couples that appreciate space and luxury combined with Lunar's legendary lightweight construction.
- Three Single Axle models include an Island Bed, a Nearside Fixed Bed and a Fixed Single Bed model.
- The Twin Axle Lexon model features a nearside fixed bed with luxurious large Rear Washroom.
- 2009 Lexon improvements have concentrated on offering more comfort, storage and light.

Live a Lunar Life

2009 Stellar

Lunar's luxurious Stellar was especially created to deliver an impressive level of spaciousness through clever use of a wider body format, whilst retaining a compact size and amazing lightness.

With a smart granite effect laminate as well as a beautifully finished, and extremely comfortable seating area and all those features normally only found in larger models.

The ingenious layout offers a great looking rear-offside kitchen along with a very spacious and comfortable lounge. The high specification of the Stellar is most comparable with that of the Lexon range offering all of the modern caravanning features. The specification of the 2009 Stellar now includes, as standard, an AKS Stabiliser, wet locker, alarm, Dometic 93L electronic fridge and a large Heki over the front lounge letting in a flood of light.

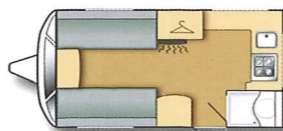

Keynotes

- A unique layout offering lightweight luxury with an enviable specification and styling.
- Compact design with a wide body giving a spacious feel that remains a pleasure to tow.
- The 2009 season see's the well-proven Stellar benefit from an increase in specification.

Key Features

- NEW! Graphics
- NEW! Spare Wheel as Standard
- NEW! Wet Locker
- NEW! AKS Stabiliser
- NEW! Alarm
- NEW! Soft Furnishings Scheme with Sprung Upholstery
- NEW! Lift up Front Beds
- NEW! Full Length Drop Down Lockers to Front Beds
- NEW! Large Heki to Front Lounge
- Lightweight Free-standing Table.

- B AKS Stabiliser is now a standard feature of the Stellar
- C Stellar
- D For extra piece of mind the Alarm is now a new feature on the Stellar
- E Taken through the rear window this picture shows the spacious feel of this compact model
- F The key selling point of this caravan is the sheer size of the kitchen- featuring masses of worksurface space
- G The large fridge to store all those little luxuries

2009 Quasar

The Quasar range has undergone a major transformation for the 2009 season with new models, specification and features. There are three new models in the range that will now offer seven different layout options. As always the focus with the Quasar range is to offer more features, more value, more luxury and LESS weight!

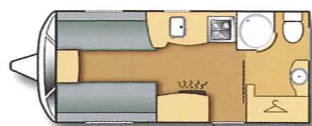

With an attractive price tag, the Quasar also offers numerous quality features that are normally associated with premium model ranges, such as a Thetford C250 Swivel toilet, 112 Litre Electronic fridge, microwave, radio/CD player, multi-directional TV aerial and an AKS Stabiliser.

Along with innovative new layouts and additional specification the Quasar range has been carefully styled to offer comfort and practicality to families wanting a fresh and airy appeal in their caravan - the new locker doors with silver banding tie in perfectly with the silver handles lighting, fridge and other kitchen equipment.

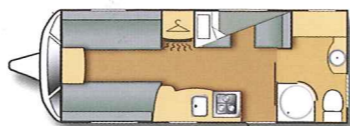

One of the keys to the Quasar's success has been the sheer variety of layouts on offer. For 2009 Models range from 2 berth right up to 6 berths, single to twin axle, each one boasting the fuel saving lightness that puts every Lunar out in front.

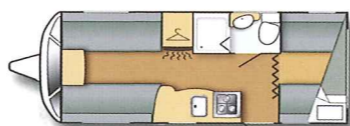

- A** Quasar 546
- B** New fabrics, locker doors and handles create a bright and airy feel to the Quasar range
- C** Stylish upholstery

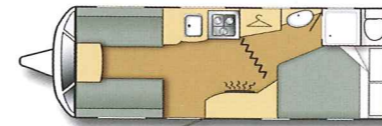

Quasar 462 - 2 Berth

2009 Ariva

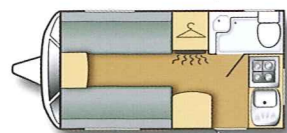

Narrower and lighter than ANY of its rivals, Lunar's luxurious Ariva offers serious caravanning luxury in an easy to handle, lightweight body making it totally unique caravan in its class.

The Ariva's clever design utilises a classic rear-end kitchen layout with a 97 Litre fridge that's ideal for storing all those little indulgences. Combining features like the attractive new locker doors and the swivel toilet in the surprisingly large, light shower room, the Ariva delivers top specification in a compact, yet amazingly spacious package. Specification of the Ariva has also been increased for 2009 with an AKS stabiliser, alloy wheels and an omnivent now as standard features.

For the adventurous touring couple, this roomy model is also the perfect choice for year-round caravanning. Ample insulation and a powerful gas/electric room heater with ducted blown air ensure the Ariva stays snug even in the coldest weather.

Keynotes

- The well proven Ariva offers a unique, multi award winning layout in the market.
- Narrower and much lighter than other rivals, Ariva offers exceptional luxury in a truly compact package.
- High spec, blown air heating and ample insulation make it perfect for year-round touring.
- Winner of the 2008 and 2007 Caravan Club Lightweight Leisure Trailer Awards for a 'Conventional Caravan Under 1001kg'.

E

2009 Zenith

The Lunar Zenith range offers fantastic lightweight touring to those families that appreciate great value and true Lunar quality. With three layouts to choose from the Zenith range has something to suit all family sizes.

All based on a single axle and with low MTPLMs the layout options include an end bunk 6-berth, a twin lounge 5 berth and a fixed bed 4-berth. On the outside, sharp graphics and a panoramic one piece front window combine to create a modern and fresh exterior look. Inside the caravans, the newly designed furniture and soft furnishing scheme create practical yet contemporary family living area's.

Great practical family features of the caravan include a large 97L fridge, combined oven and grill, new style swivel toilet and plenty of useful storage.

Keynotes

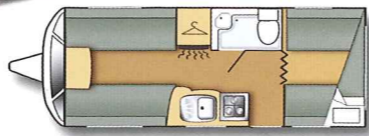

- Super low MTPLMs.
- Consisting of three models this range offers three family layouts with a four berth, five berth and six berth option all on a single axle.
- Contemporary styling makes the Zenith range feel fresh and comfortable, but without compromising on its family touring practicality; typified by the ample storage, stain-free loose fit carpets and large fridge.

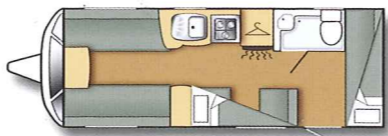

Live a Lunar Life

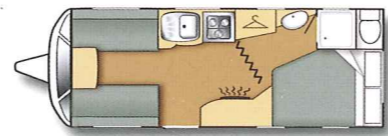

- A** Stylish wheel trims fitted to all Zenith models
- B** Zenith EB
- C** Stylish rear light cluster complimenting the fresh and modern appeal of the Zenith exteriors
- D** The rear of the Zenith 5 featuring a great 'KIDS ONLY' eating, lounging and sleeping area

Zenith 5 - 5 Berth

Zenith 6 - 6 Berth

Zenith EB - 4 Berth

D

E

F

G

H

- E** The Rear of the Zenith 6 with its rear bunks and side dinette that converts into two more offering a 6- berth in a very manageable size
- F** The blue fabrics offer a calming and practical feel to the Zenith Range
- G** All Zenith models feature a combined oven/grill with a 3 burner hob
- H** The fixed bed EB option
- I** All washrooms feature a swivel toilet, shower and good sized hand basin

Key Features

- Stylish Exterior Styling and Graphics.
- Panoramic one-piece Front Window.
- Attractive Family Friendly Soft Furnishings Scheme.
- Loose Lay, Stain Free Heavy Duty Carpet in popular yet family friendly Colour.
- Full Length Drop Down Lockers to Front Beds.

* Furnishing and layout options: It should be noted that the furnishing and 'L' format options are strictly subject to availability and sufficient advanced notice. Please note that the front beds can only be used as singles in the leather option and cannot be made up into a double. Ask your local Lunar dealer who will be able to provide full details on this option. Models in which the L shaped option is available: Delta Ti, TL and SB; Clubman ES and 475CK; Quasar 615, 626, 525, 524 and 462; Stellar and Zenith 5 and 6.
