Britain's best loved value motorhome

Autoquest, the award-winning UK built motorhome range has been yet further improved and updated for 2010.

Autoquest continues to be one of the best-equipped and best value-for-money entry-level coach-built motorhomes on the market today with a huge range of optional extras available to suit every need. Autoquest comes in a choice of layouts to suit every lifestyle, with hi-line and lo-line options.

Unlike many other motorhomes, the Autoquest is built on one of three standard Peugeot chassis and is not modified. This results in a motorhome renowned for its solid build and unrivalled driving qualities.

Elddis is proud to be the first UK Manufacturer to have been awarded EC Whole Vehicle Type Approval (ECWVTA) for motorhomes with the Autoquest range.
