

Key features

- Class-leading performance and economy from Fiat's 100 MultiJet diesel engine with 5-speed gearbox
- ABS brakes with EBD (electronic brake force distribution)
- Spare wheel and tyre
- Electrically operated and tinted cab windows
- Remote central locking of cab doors and immobiliser with rolling code
- Radio/CD/MP3 player with iPod connection
- Thermal cab window covers
- One-piece, thick gauge aluminium sidewalls
- Lap and diagonal seat belts on all designated passenger seats
- Secure positive catches on all furniture doors
- Seat tops with beech slats, spring-assisted for easy access (except travelling seats)
- Removable carpets over woodblock effect vinyl flooring
- Heki rooflight in lounge area with flyscreen and adjustable blind
- 80 Litre electronic ignition refrigerator with 230V, gas and 12V operation
- Combination thermostatic oven and grill with electronic ignition
- Thetford C250 cassette toilet with electric flush and 18 litre wheeled holding tank
- Three 230V sockets
- 250 Watt charger/transformer for 12V supply

Key options

- 130 MultiJet diesel engine with 6-speed gearbox (686 only)
- **Comfort Pack** consisting of:-
 - Easy action concertina door flyscreen
 - Ultraheat dual fuel blown air heating system ducted to living, sleeping and washroom areas
 - Pleated windscreen blind
 - Pair of scatter cushions

Additional features

Fiat Chassis-cab

- Variable power steering
- Adjustable steering wheel position
- Driver's airbag
- Headlamp height adjustment

- Lockable (Laptop PC size) central storage box
- Door pockets with bottle holders
- Two DIN sockets
- Driver and passenger seats in 622, 624 & 686 models with:
 - Position and rake adjustment (driver's seat also has height adjustment)
 - Armrest
 - Full upholstered covers
 - Base surrounds
- Driver and passenger seats in 664 model with:
 - Position, height and rake adjustment
 - Swivels
 - Two armrests
 - Full upholstered covers
 - Base surrounds
- Cab carpet (removable)

Body and Exterior equipment

- GRP moulded skirts
- ABS moulded lower rear panel
- High level brake light
- Exterior door with burstproof locking
- Single key for all habitation doors
- Stepwell and manually retractable step with buzzer warning
- Exterior access locker door (664 model only)
- Double glazed opening windows with night-latch ventilation
- Flush fitting exterior light
- Compartment for 2 x 7kg gas bottles with fitted butane/propane regulator
- Fixing points for rear-mounted cycle rack
- 32mm 'sandwich' walls with HD polystyrene insulation core
- 32mm 'sandwich' roof with HD polystyrene insulation core
- 46mm 'sandwich' floor with styrofoam insulation core

Living Area

- High resilience foam in seats and backrests (150mm/6")
- Sprung fixed bed mattress in 664 model
- 75mm/3" high resilience foam luton bed mattress (High-Line models)
- Removable aluminium ladder to the over-cab bed (High-Line models)

- Kitchen rooflight with flyscreen and blind
- Cassette flyscreens and blinds on all windows
- Removable entrance mat

Kitchen

- Removable drainer with dedicated storage
- Food grade nylon chopping board with dedicated storage
- Chrome finish brass pillar tap with long spout
- 3 burner gas hob with electronic ignition
- Glass hob lid

Washroom

- 35mm thick entrance door with domestic style mortice lock and handle
- Truma 3kW gas space heater
- Grade 2 classification for heating and thermal insulation (for low ambient temperatures)
- 70 litre internal fresh water tank with level sensor
- Pressurised fresh water system with self-priming pump
- 68 litre waste water tank with level sensor

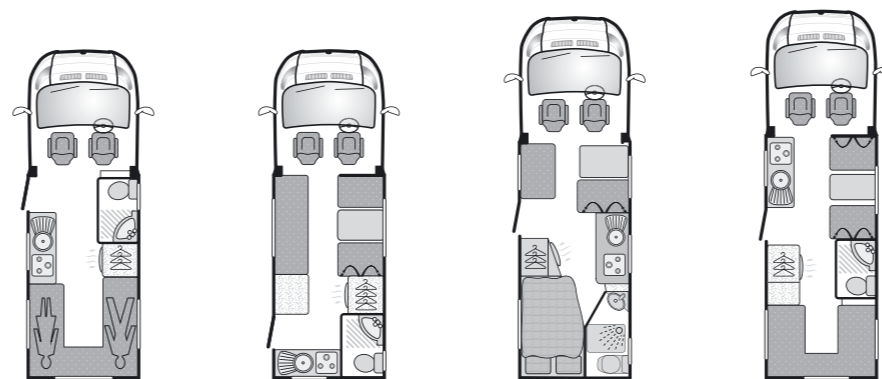

Heating and Plumbing

- Trumastore gas and electric water heater
- Truma 3kW gas space heater
- Grade 2 classification for heating and thermal insulation (for low ambient temperatures)
- 70 litre internal fresh water tank with level sensor
- Pressurised fresh water system with self-priming pump
- 68 litre waste water tank with level sensor

Electrical

- Fully protected mains electric system
- 12V control panel near doorway with controls for:
 - 12V power on/off
 - Water pump and lighting circuits
 - Tank levels
 - Leisure battery state
- 85 amp-hour leisure battery in exterior access locker
- External aerial connection point in battery locker
- TV station with 230V and 12V sockets, aerial socket for connection to customer's own aerial.
- 25 metre mains hook-up cable

Escape

The Escape range is the ideal entry point to enjoy the freedom owning a coachbuilt motorhome can bring. It is designed to offer a well equipped motorhome with all the essentials at a price that makes owning a new motorhome an affordable proposition.

Based on the Fiat Ducato, the Escape comes with a 100 MJ engine as standard which provides class-leading power and performance for this low weight range. The cab is dark Imperial Blue with complementary Escape graphics to the gloss white one-piece, thick gauge aluminium side walls which are finished with GFR moulded skirts and ABS lower rear panel with stylish light clusters to give an overall striking appearance. The cab offers the high level of specification you would expect from a quality coachbuilt motorhome.

Control Panel
The 12V control panel controls the 12V power on/off, water pump and lighting circuits, tank levels and leisure battery state

Positive catches
Positive catches on all furniture doors provide secure storage, even whilst on the move

Inside is equally well appointed with furniture in Tanganyika medium walnut finish which tones perfectly with a warm beige and grey fabric scheme. Good storage is provided with beech slatted seat tops being sprung assisted for easy access to storage areas below (except travelling seats). Well-equipped kitchens offer an 80 litre fridge and a combined thermostatic oven and grill, both with electronic ignition. Washrooms have a 35mm thick entrance door with domestic style mortice lock and handle plus the latest Thetford C250 toilet with electric flush and wheeled holding tank.

Beech slatted seat top
