E600 Series

Solid
Sleek
Luxurious
Affordable

Classic exterior styling and luxurious, spacious interiors combine to ensure the new E600 range provides the ultimate in motorhome touring in this market sector.

The Fiat 4 tonne Maxi Chassis of the E660 and E695 offer generous payloads for all the holiday essentials and powerful Fiat diesel MultiJet engines with an automatic option provide car like driving qualities. Long term re-assurance is provided by solid proven construction, durable materials and compliance with the strict weight, dimension and safety standards of European Whole Vehicle Type Approval.

With a choice one High-Line and two Low-Line layouts, the E600 has the iconic looks of its big brother with a full luxury specification at an affordable price for all-year-round touring.

Key features include:

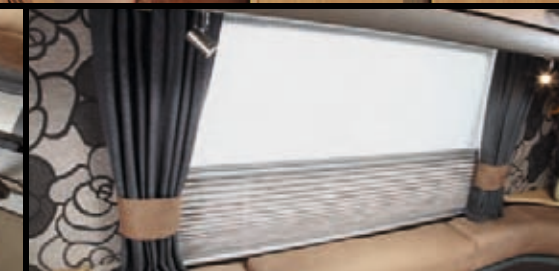

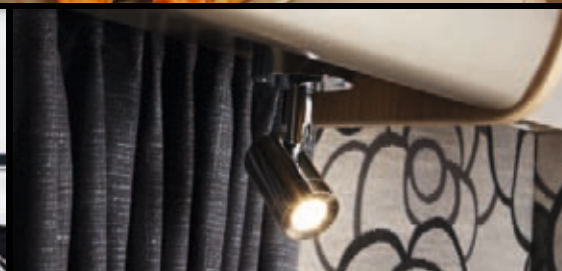

- 1 Driver and passenger airbags as standard
- 2 Pleated windscreen and cab side window blinds for shade and privacy
- 3 Low energy lighting system with soft white, high output LED lights
- 4 Radio/CD with iPod/MP3 player connection
- 5 Full-length recessed awning comes as standard
- 6 'Skyview' panoramic opening roof window and spacious, automotive style overcab lockers in Low-Line models
- 7 **NEW** Granite look sink
- 8 **NEW** Eye level consumer unit for the mains 230V supply
- 9 Dual fuel Truma 'Combi' central heating system for effective heating both en-route and on site
- 10 **NEW** Larger, easier to read control panel
- 11 Remote central locking of cab doors and entrance door
- 12 **NEW** 12V exterior power point for pump filling of the water tank
- 13 Colour reversing camera with image shown on rear view mirror comes as part of the optional Elegance Pack

E600 Series

Affordable

Carefully considered interiors incorporate comfortable, spacious living and sleeping accommodation with generous full-width overcab lockers and a panoramic opening 'skyview' window in low-line models and cleverly designed, spacious over cab bed in the E695. Models benefit from energy saving LED lighting which contributes to a 70% reduction in lighting power consumption.

Fully equipped kitchens feature a stainless steel effect fridge and a new GRP sink that co-ordinates with the work top. Washrooms are well specified with models featuring a separate fully lined shower area for a wet/dry division, a wash basin integrated into a useful cupboard unit, the latest Thetford toilet and a thick door with domestic style lock and handle.

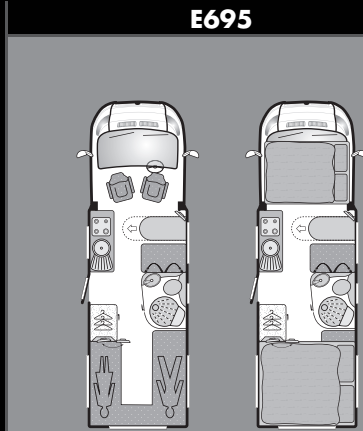

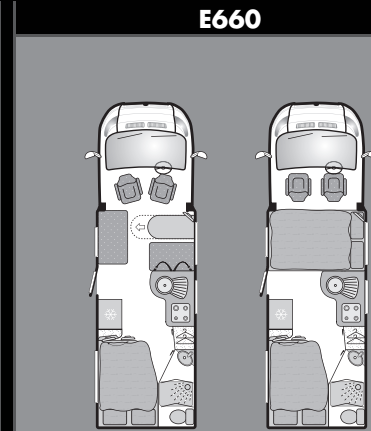

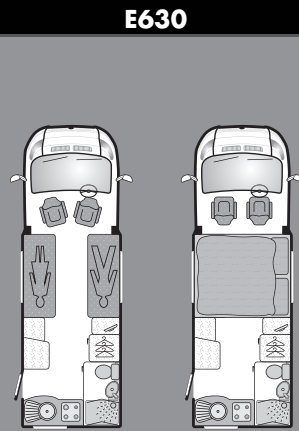

Optional 'Impala' fabric scheme
