

ON ALL MOTORCARAVAN RANGE

The Extreme Protection System

is the result of **CI** research; a new technology for building living quarters that guarantees the highest protection for your motorhome.

The Extreme Protection System ensures high vehicle performance and provides:

greater insulation from weather

better insulation against water ingress

greater protection from noises that could interfere with driving

Only **CI** offers a 4 year guarantee with **Extreme Protection System!**

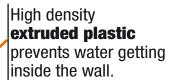

MORE INSULATION MORE STRENGTH LESS NOISE LESS DAMAGE

OUTSIDE MOTORCARAVAN

STYROFOAM in all walls. Better soundproofing and thermal insulation of the vehicle, it prevents any spreading of leaks to the vehicle interiors.

Laminated Plastic in the whole perimeter of the walls prevent any contact of the inner part of the walls with the water.

Floor thickness 75 mm and fibreglass under the rear overhang(Garage versions) prevent water leaking into the part of the vehicle more exposed and protect against damage from road.

* Similar material with the same technical features on some models

Overcab

CARIOCA

Carioca

The ideal range to enjoy both long holidays or short breaks, whether it is a family or a couple looking for comfort and convenience.

Attractive designs with both low-profile and overcab models and the choice of engine options and front and rear-wheeldrive. Permanent double beds, bunk beds and dinette / double beds are all available throughout the range.

All models feature large washrooms with separate step-in showers with rigid doors and vehicles with the large rear storage locker can be fitted with the optional rise and fall Flex-bed system to increase storage capacity.

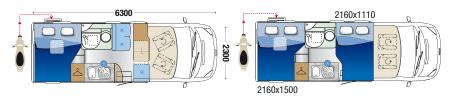

The ultimate in a compact vehicle with maximum storage.

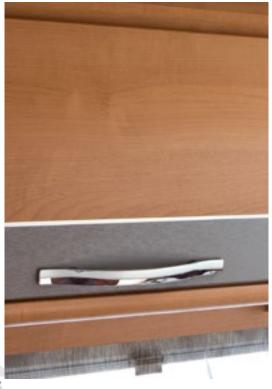

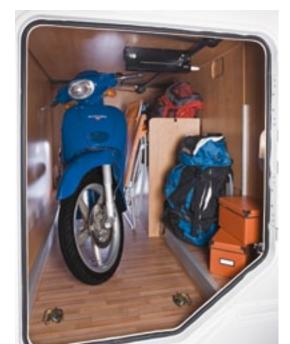

Carioca

Low-profile

FLEX SPACE height-adjustable bed system for variable volume garage, optional feature.

500x700 mm panoramic skylight.

Kitchen with three burner hob and glass cover, oven with grill, self closing kitchen drawers, 150 litre fridge with separate freezer.

Double bed with slatted base that can be raised for easy access to the storage area that is also accessible from the outside.

The perfect Motorhome for the couple on the move.

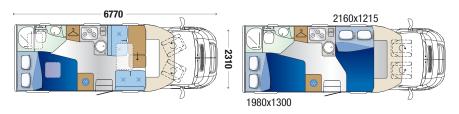

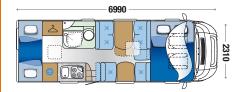

Table and dinette extension for up to 7 seats. Sliding dinette front seats for maximum comfort.

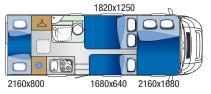

A true seven person Motorhome.

Carioca 707

Overcab

1130x970 mm

Kitchen featuring 3-burner hob, oven with grill and and 97 litre fridge(150 litres optional).

Overcab bed which is amongst the largest available.

Bunk beds with base that can be raised for easy access to the locker from inside or out.

Television and mounting bracket optional features.

CARIOCA PLUS

Oven with grill or gas mini-grill(model specific)

Cooker top with three burners and glass cover

Rear bed access steps with stowage space(100/600G)

Chrome handles Bronze coloured door trim

Diesel heater (656/706/707)

500 x 700 mm panoramic skylight, standard feature for low profile Ford

Gloss laminated table and kitchen top

Combined gas heater/water heater 4000 KW(100/200/400/500/ 694/600G)

Self closing kitchen Drawers

Rear locker with Lift up lower bunk (standard feature for 400/656/707)

Fridge with curved door (standard in 694/600G)

LED lighting

Table and dinette extension for up to 6 seats (mod. 656/600G/706) or 7 seats(mod. 707)

Rigid shower door, standard

Flex Space

FLEX SPACE height-adjustable bed system for variable volume storage, optional feature(100/600G)

CARIOCA PLUS

Washroom with separate shower and rigid shower door (mod.400/100/707)

Overcab bed with some of the largest sizes in its class, with two windows

CARIOCA UPHOLSTERIES

Afra standard

Blu Navy Optional

4 different outfits created

for exacting camper-lovers who like distinctive aesthetics.

NOTES

- (b) Maximum total weight of the vehicle not to be exceeded.
- (c) The vehicles with Ford 2.4 TDCi 140HP mechanical unit are fitted with twin rear wheels.
- (d) Certified vehicle weight. Comprises: driver, fuel tank fully filled(60 lt.), fresh water tank filled to 50 lt. (use of special drain valve) and aluminium gas bottles(max. 15 kg.) filled at 90% of their capacity, and certified tolerance(+/- 5%)(2001/116/CE). NOTICE

All the information and photos shown herein are to be considered as merely indicative and do not constitute contractual specifications. Trigano S.p.A. reserves the right to make the technical and configuration changes considered appropriate to its vehicles and to change the equipment the vehicles are provided with at any time and with no official notice. Owing to the above, all the information concerning the specifications and equipment of every motorcaravan must be requested before purchase from the dealer, who, acting as sole point of reference, will confirm or rectify the data published herein, updating the customer on the actual features and equipment of the vehicle he/she is interested in and for which negotiations are ongoing. Trigano S.p.A. declines any liability concerning changes, including additions, and/or conversions made after the printing of this document and/or delivery of the vehicle. Weights and dimensions are subject to change due to the fact that the vehicles are manufactured using natural materials. The assembly of optional accessories causes the weight of the vehicle to increase, thus reducing loading capacity. The indication of weights and sizes are susceptible to changes owing to the fact that natural materials are used in manufacturing the vehicles, therefore performance and dimensions can vary in factory manufacturing with a tolerance of +/- 5%. Important note: The optional items fitted are not included in the definition of the vehicle empty weight. Their weight must therefore be included in the useful load. All users must adjust the load and number of passengers carried to the vehicle carrying capacity minus the weight of complementary equipment installed. For user safety, you are in any case recommended not to exceed the technically permissible maximum weight stated by the manufacturer. Fitting, removing or alterations carried out c/o unauthorised workshops may compromise your safety and at the same time lead to invalidation of the warranty. Trigano S.p.A. reserves, with no official notice and at any time, to make all the technical and/or furnishing changes considered appropriate on the models shown herein. Therefore, the information, photos and data given are to be considered as merely indicative, they are not binding and do not constitute contractual specifications. Trigano S.p.A. also declines any liability concerning changes, including additions, and/or conversions made after the printing of this document and/or delivery of the vehicle.

All data and photos refer to vehicles entering production as of September 2010. Despite careful proofreading, it is not possible to exclude the presence of printing errors. Some of the models photographed in this catalogue may be shown with equipment classed as optional. Trigano reserves the right to introduce changes at any time to the technical and configuration specifications, to the equipment provided with the vehicles and, more generally, to the products for their continued improvement. Given the above, the catalogue is not a contractual document. At the time of purchase, the dealer, acting as sole point of reference, must detail the exact equipment and specifications of the vehicle the Customer intends to buy. In order to be more knowledgeable about the Ci product we recommend before purchasing your motorhome that you read the updated version in the Owner's Handbook which is available on our website: www.ci-motorhomes.co.uk

Here you can find all the technical details and information needed for the correct use of the motorhome.

For further information about our vehicles and updated specifications, please consult our web site www.ci-motorhomes.co.uk
