Elite Specification

* Estimated

Weights: For 2011 models the method of calculating the MRO and payload figures has changed. Allowances for essential equipment (e.g. gas cylinders) previously allowed for in the user payload are now within the MRO. The provision for a leisure battery has been included within the personal effects payload allowance.

Bed Sizes: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.5m(1'8") from that stated.

Awning sizes: Due to varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or awning manufacturer prior to purchase.

Key features

- New:** European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations
- 2.31m (7'7") wide bodyshell
- 1.95m (6'5") headroom
- New:** Exterior styling with roof capping rails integrating with full height GRP front and rear panels
- New:** Panoramic front roof window integrated with automotive style roof locker system with LED downlighters and speakers
- New:** Large front door with double gas struts for easy access
- One-piece, 5000 Series marine grade aluminium metallic silver sidewalls
- Alde radiator central heating and water heating with daily programming
- EN1645 Grade 3 classification for heating and thermal insulation (Cold chamber tested)
- New:** Extra strong, thermally efficient body shell with 32mm thick fully bonded roof and walls
- New:** Wheel arches insulated with high density foam to prevent cold spots in storage areas
- New:** Profiled side skirts in tough self coloured uPVC with integrated awning channel
- New:** Recessed awning channel on both sides
- New:** Hankook tyres, higher rated for improved performance and safety
- Low energy lighting system with fluorescent ambient over-locker lights and LED task lights
- New:** Design front chest of drawers with slide out extending top
- New:** 'Binnacle' on front shelf with two 230V sockets and a combined 12V/aerial socket
- Four further 230V sockets and combined 12V/aerial socket
- New:** Granite effect kitchen sink with integrated occasional drainer and removable extension drainer
- New:** Low height built-in microwave oven with digital controls
- New:** Internal fresh water tank with additional external pump for filling or direct feed to taps (15 litre capacity in single axles and 30 litre in twin axle models)

Key options

- New:** 'Impala' stain-resistant, easy-clean seating fabric with soft nubuck texture

Additional features

Exterior

- AL-KO Secure wheel lock (two on twin-axle models)
- AL-KO side-lift jack
- AL-KO galvanised steel chassis with Euro-Axle
- AL-KO Euro overrun device with two-way assisted handbrake
- AL-KO AKS 3004 stabiliser
- Shock absorbers for a smoother more stable ride
- Heavy duty corner steadies
- 13-pin 'Jaeger' 12V car connector
- New:** Latest generation rear light clusters
- New:** Low level front marker lights to minimise dazzle in towcar mirrors
- AL-KO Rain water deflector incorporating brand badge
- New:** Stand-on hitch cover for access to cleaning front roof
- New:** Gas regulator fitted with stainless steel braided hose for improved reliability
- BBQ point
- Larger entrance door - 45mm (2") wider and 80mm (3") taller with interior moulded liner, window, blind and **new** larger capacity door waste bin
- Storm' exclusive alloy wheels
- Spare wheel (steel) and underslung carrier
- Exclusive shape double-glazed opening windows with night ventilation position
- Exterior access battery box with satellite aerial inlet and mains electric inlet (battery not included)
- External access door under front nearside seat
- Large external access door under fixed beds (model specific)
- LED awning light
- Entrance step
