Issued September 2010

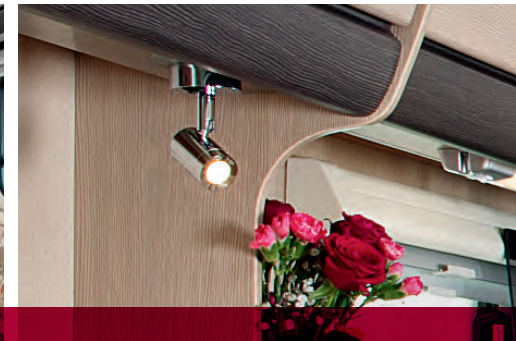

Comfort all year round

With its cool Scandinavian influenced interior and class leading specification, including Grade 3 insulation, the new Europa range offers all year round touring comfort.

Design and build

It is also one of the 1st touring caravan ranges to be European Whole Vehicle Type Approved, so you can be reassured by proven construction and compliance with strict weight, dimension and safety regulations. Class leading specification, all at unbelievable value, includes a package of desired features like shock absorbers, high security entrance locks, new LED task lighting, four mains sockets, two TV points, positive catches on all overhead locker doors and fully lined showers.

Europa

www.sterlingcaravans.co.uk

Streamlined exteriors have one-piece, high gloss 5000 series marine grade aluminium side walls, alloy wheels, striking graphics and a one-piece rear panel. Spacious interiors offer class leading headroom, with modern fabrics and furniture in light 'Oregon pine'. Beech slat seat bases provide comfortable seating whilst sprung hinged tops provide easy access to under seat storage. All overhead lockers now have positive catches for secure storage on the move and spaceframe construction allows for maximum use of the space inside. A radio/CD/MP3 player with iPod connection comes as standard.

Stylish front lockers have recessed mains lights and new LED spot lighting saves energy. Kitchens feature stainless steel look appliances with a built in microwave oven, digital control fridge, Thetford oven and dual fuel hob, unique granite-look moulded sink and handy twin electric socket. A high capacity in-board water pump ensures good water pressure through the chrome finished brass taps.

Beech slat seat bases provide comfortable seating whilst sprung hinged tops provide easy access to under seat storage

Granite-look GRP kitchen sink with removable drainer

High capacity inboard water pump delivers good water pressure through the shower and chrome finished brass taps

Thetford electronic ignition, digital control 107 litre fridge with metallic door finish

New separate cutlery draw on smooth runners and two pull out wire storage baskets

Recessed mains light in stylish front locker and new low energy and low temperature LED task lighting

All washrooms have good storage, fully lined showers and an adjustable showerhead position. Again the high capacity in-board water pump provides good water pressure.

Europa Specification

Weights: For 2011 models the method of calculating the MRO and payload figures has changed. Allowances for essential equipment (e.g. gas cylinders) previously allowed for in the user payload are now within the MRO. The provision for a leisure battery has been included within the personal effects payload allowance.

Bed Sizes: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.5m (1'8") from that stated.

Awning sizes: Due to varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or awning manufacturer prior to purchase.

Key features

- New:** European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations
- EN1645 Grade 3 classification for heating and thermal insulation (cold chamber tested)
- Internal headroom of 1.95m (6'5")
- Overall body width 2.23m/7'4" or 2.29m/7'6" (see specifications)
- One-piece, 5000 series marine grade aluminium sidewalls
- New:** Gas regulator fitted with stainless steel braided hose for improved reliability
- New:** Hankook tyres, higher rated for improved performance and safety
- New:** 'Traffic' heavy duty, durable floor vinyl

- New:** Low energy and low temperature LED task lighting
- New:** Positive catches on all overhead locker doors
- New:** Four 230V sockets including twin in kitchen
- Granite-look GRP kitchen sink with removable drainer
- Built-in, ventilated microwave oven with digital controls
- Showers with gloss plastic lined walls
- New:** Large capacity waste bin on lower door
- New:** Aerial point in battery box for portable satellite dish connection
- New:** Strong redwood body and floor framing specially treated to resist moisture and fungal attack

Additional features

Exterior

- New:** Exclusive 'Storm' alloy wheels
- New:** LED awning light
- Shock absorbers giving more stable, smooth towing
- 13-pin 'Jaeger' 12V car connector
- AL-KO galvanised steel chassis with Euro-Axle
- AL-KO Euro overrun device with two-way assisted handbrake
- Receiver for optional AL-KO Secure wheel lock
- AKS 3004 Stabiliser
- Steel spare wheel and carrier
- Status 530 directional digital and analogue TV aerial
- Closed-mould GRP front panel with three opening windows and door with gas strut
- Stylish full height moulded rear panel

- Fully double-glazed opening windows (no single-glazed cold areas) with silver finished edges
- Exterior two-part door with interior moulded liner, window and blind
- Exterior access battery box with mains electric inlet (battery not included)
- Entrance step
- 25mm 'sandwich' sidewalls and HD polystyrene insulation core
- Receiver for optional AL-KO Secure wheel lock
- AKS 3004 Stabiliser
- Steel spare wheel and carrier
- Status 530 directional digital and analogue TV aerial
- Closed-mould GRP front panel with three opening windows and door with gas strut
- Stylish full height moulded rear panel

Interior

- New:** Separate cutlery drawer on smooth-action steel runners
- New:** Two pull-out wire baskets in kitchen cupboard
- Door flyscreen with easy concertina action

- Class leading front locker design with recessed mains lights
- Beech slat seat and bed bases with sprung hinged tops for extra comfort and easy access
- Upper lockers and seat bases with spaceframe construction
- Heki large tilting panoramic roof window with flynet and blind
- Cassette flyscreens and blinds on all windows
- Multi-directional clear rooflights in kitchens and bedrooms
- Twin curtain track for improved hanging and ease of use
- Sprung interior mattresses, main seat and backrest cushions
- Fixed beds with aluminium frames to maximise strength and storage space
- Seat and backrest ventilation boards

- Long front beds 1.90m (6'3") (model specific, see specifications)
- Two scatter cushions
- Two bolster cushions
- Removable carpets
- Retained entrance mat
- Thick washroom doors with domestic style locks and handles
- Deep worktops with matching edges
- Removable drainer with dedicated storage
- Food grade nylon chopping board with dedicated storage

Equipment

- New:** User-friendly large 12V control panel with battery selection, battery state meter and water pump circuit control
- New:** 25 Amp switchmode charger/transformer
- Radio/CD/MP3 player with iPod connection
- Theftford electronic ignition, digital control 107 litre fridge with metallic door finish

- Theftford C250 or C402 toilet with electric flush and 18 litre wheeled waste tank
- Theftford thermostatic oven and separate grill
- Dual fuel hob with 800W electric hotplate
- Glass hob lid with safety cut-out feature
- Dual fuel gas and 800W mains electric storage water heater
- Dual fuel (3kW gas and 2kW mains) central heating with electronic ignition
- Blown air ducted to living, sleeping and washroom areas
- Areas under seats and beds warmed by blown air system
- Isolation taps for gas appliances
- Fully protected mains electric system
- Two TV stations with 230V, 12V and coax aerial sockets (except 545 and 550)
- Solar panel connection provision

- 230V mains lights over front seating
- Halogen ceiling lights in living and washroom areas
- Fluorescent light in kitchen
- 25 metre mains hook-up cable
- High flow rate in-board pump with chrome finish brass taps for reliable, high performance water supply
- Separate shower mixers with adjustable head positions

Safety and Security

- Higher tyre ratings - 10% load margin at 130kph (law permitting)
- Receiver for optional AL-KO Secure wheel lock
- Smoke alarm
- CRIS identity number etched to windows and caravan chassis
- Concealed security data chip within caravan construction
- High security entrance lock

- 1. Dual fuel hob**
Three gas rings and an 800W electric hotplate
- 2. Branded tyre**
New: Hankook tyres, higher rated for improved performance and safety
- 3. Radio/CD**
Radio/CD/MP3 player with iPod/MP3 connection
- 4. Gas regulator**
New: Gas regulator fitted with stainless steel braided hose for improved reliability
- 5. High security lock**
High security entrance lock for enhanced security
- 6. Control panel**
New user friendly, larger control panel
- 7. Entrance door**
Entrance door with easy action concertina door flyscreen and new larger door bin
- 8. Aerial point**
New: Aerial point in battery box for portable satellite dish connection and site 'piped' TV
- 9. Shock absorbers**
Shock absorbers give more stable smooth towing
