# Combining over fifty years of motorhome craftsmanship from the

## Award-Winning Manufacturer

Auto-Sleepers have been building motorhomes of exceptional quality for over fifty years. Our motorhomes are hand built by experienced craftsmen combining practicality with internal and external design innovations. Never before have these qualities been better combined than in the latest Peugeot range. For those who aspire – arrive in style with an Auto-Sleeper.

## Power with economy

Auto-Sleepers' relationship with Peugeot is a long standing one which dates back to the 1980's when both the Talbot Express chassis and panel vans were the base vehicles of choice. Today, the Peugeot Boxer features driver and passenger airbags as standard for ultimate peace of mind. With improved ride, handling and comfort provided by optional AL-KO air top suspension in all panel van conversions.

The Peugeot Boxer is characterised by its practicality, spaciousness, drivability and comfort and is packed with innovative features to make your touring more enjoyable.

The well-appointed Auto-Sleepers Peugeot Boxer based motorhomes come with a high specification on the latest Euro V compliant range of diesel engines. With the choice HDi engines, the Euro V has lower emissions compared with the outgoing Euro IV, combining power and performance.

## Safety first and foremost

Being safe in your vehicle is paramount. That is why the forward facing seating in Auto-Sleepers' conversions is tested to European seat belt anchorage standards. All models comply with British and European safety standards as independently verified by the National Caravan Council (NCC).

All 2012 Auto-Sleepers Peugeots have been awarded EC Whole Vehicle Type Approval.

# With Peugeot - safety features as standard

## Intelligence that protects

The Peugeot Boxer incorporates a series of innovations designed to protect you and your passengers. Standard safety features include ABS - Anti-lock Braking System, EBA - Emergency Braking Assistance, EBFD - Electronic Brake Force Distribution, disc brakes, passenger and driver's airbags, fuel supply safety cut off, driver's seat belt indicator and safety auto-reverse on driver's door mirror.

Peugeot has introduced innovations and technology, including a particle emissions filter, to reduce the CO<sup>2</sup> impact to the environment without reducing power or performance. HDi, the common rail injection system delivers lower emissions in line with current European legislation.

# Additional Information

## Peugeot warranty

All motorhomes first registered in the UK and purchased from a UK Peugeot Approved Manufacturer benefit from a Peugeot 3 Year unlimited mileage manufacturer's warranty provided by the Peugeot Dealer Network in the UK. This additional warranty carries a mileage limit of 100,000 miles from first registration and is dependent upon the manufacturer's recommended servicing being carried out at the specified time or distance intervals. For full terms and conditions, please consult your Peugeot Dealer in the UK.

## Peugeot assistance

All new Peugeot motorhomes come with 12 months' Peugeot Assistance - breakdown assistance service. Peugeot Assistance includes European cover, homestart, roadside assistance, vehicle recovery and a free replacement car or hotel accommodation if required. For this service call 0800 294 0294

## Auto-Sleepers Conversion Warranty

You can be confident about owning an Auto-Sleepers, because we are confident about the way in which we build them. The conversion work of every Auto-Sleepers is covered by our own two year warranty scheme. The cover is not restricted to mileage and protects all aspects of the conversion (terms and conditions apply, please refer to your handbook for further information). The base vehicle of your motorhome is covered by the base vehicle manufacturer's/importer's warranty (terms and conditions apply, please refer to the chassis manufacturer's handbook for details).

## Auto-Sleepers Service Centre

The Auto-Sleepers Service Centre caters specifically for the needs of the motorhome and caravan owner. Located close to the Auto-Sleepers factory in Willersey, Worcestershire, we offer mechanical and conversion servicing, accident and insurance repairs, annual habitation checks, MOT testing and accessory fittings modifications and refurbishments. The Service Centre can be contacted on +44 (0) 1386 853511.

## Auto-Sleepers Parts Department

The Auto-Sleepers Parts Department aims to provide parts for Auto-Sleepers old and new. When contacting this Department, customers should have to hand the Auto-Sleepers production number of their vehicle. We endeavour to provide parts for older vehicles, but are unable to guarantee to supply parts that are no longer manufactured by our suppliers. The Parts Department can be contacted direct on +44 (0) 1386 842630.

## Auto-Sleepers Owners' Club

The Auto-Sleepers Owners' Club was formed in 1989 and now has a membership exceeding 5,000. Closely allied with the Company, membership of the Club is open to all Auto-Sleepers owners. Benefits include a monthly newsletter and rallies throughout the year, both at home and abroad.
