The Pastiche – Valuing the finer things in life...

With a stylish new design both inside and out and luxurious soft furnishings, the Pastiche range really stands out from the crowd.

The twin fixed beds in the new Pastiche 565/4 are both comfortable and practical. If you dislike putting beds away each morning, this is the layout for you. There's still plenty of room for guests and the end bathroom is both well planned and modern.

The kitchen is roomier than in other layouts of this kind, and it's superbly well equipped to make light work of holiday catering.

Five year manufacturer's warranty and six year water ingress and body delamination guarantee
