## Caravan Collection

Venus Caravans are the lightest, most compact and affordable caravans in the UK.

Whether you love short breaks or long holidays abroad, Venus Caravans offer you the perfect excuse to escape.

Their ultra lightweight and compact design gives you a wider choice of tow car and ensures effortless towing and manoeuvrability whilst offering more flexible storage options.

The Venus collection consists of 4 single axle models, each developed to make the best possible use of space.

With a modern streamlined exterior, powder coated awning rail, an extra-large gas locker and LED awning light, the Venus models are both modern and extremely practical.

With surprisingly spacious interiors and stylish, comfortable furnishings, Venus Caravans are the perfect choice if you want to enjoy the pleasures of touring again and again.

# VENUS Features & Style

Styled with oak coloured woods and fresh 'Lolita' furnishings, the Venus interior feels modern and light.

The comfortable lounge has aluminium framed seating and full size overhead locker storage, specifications often associated with more premium models.

To maximise on storage space, each model has been designed with Whale under-floor space heating.

The kitchen is well equipped with high quality impact resistant Crystal worktops, a Dometic fridge, Duplex oven/ grill, three burner gas hob and good storage.

For those who prefer the comfort of a fixed bed, the 490/4 layout features a fixed double bed whereas the 500/4 features the popular fixed single beds.

For comfortable year-round touring, Venus Caravans have a Grade Three Classification for Thermal Insulation and Heating.

## Warranty

Venus Caravans are supplied with:

- A 6 year body shell integrity warranty
- A 3 year manufacturers backed warranty (specific exclusions apply).

(Subject to an annual service and inspection and excluding items subject to normal wear and tear).

Each Venus model has been certified by the NATIONAL CARAVAN COUNCIL for compliance with stringent European Standards, British Standards AND the industry set Codes of Practice that specifically relate to health and safety issues.

The approvals process covers the testing and inspection of all critical areas of the product from fire safety, weights and dimensions through to gas, electrics and ventilation.

Every caravan carries the 'NCC Approved Caravan' badge that gives you the peace of mind in the knowledge that your caravan is both fully legal and safe.

Caravan Payloads: The method of calculating the MRO and payload figures has been changed. Allowances for essential equipment previously accounted for in the user payload are now either within the MRO (e.g. gas cylinders) or the personal effects payload allowance (e.g. leisure battery).

Venus Caravans is a brand of Lunar Caravans Ltd.
