PURE INDULGENCE

SWIFT KON-TIKI

The exquisite Kon-tiki is synonymous with impressive style and high standards, this top range enjoys an enviable combination of comfort, practicality and design innovation including built in Wi-Fi, new for this season.

Soft furnishings and interior finishes are opulent and its 'Black Edition' status offers the ultimate in specification as standard.

With SMART construction, your investment is even better protected, the tough wearing GRP skin boasts better dent resistance and is more easily repaired and restored to a high-quality finish.

Carefully designed and cleverly detailed, the spacious interiors provide the maximum in comfort and practicality.

Whether you're relaxing or entertaining the carefully chosen 'Carabu' soft furnishing scheme features SwiftShield, a stain resistant fabric that keeps its good looks. For added luxury, there is also a full leather option.

To create the perfect ambience at night, the interior can be lit with overlocker lighting, dimmable spots and the feature lit kitchen splashback, which all use energy efficient LEDs. New zonal control of the Alde heating lets you get the temperature just right.

For luxury at bedtime, all fixed beds are fitted with the exclusive and more durable Duvalay Duvalite mattress, containing lightweight yet sumptuously comfortable memory fibre technology.

Fully equipped, the Kon-tiki comes with a five star specification.

The kitchen work surface is crowned with HI-MACS® natural acrylic stone, a non-porous, dirt-repellent surface and an exclusive Dometic CU600 oven.

The enhanced Swift Command control system, with 'app' interface, to remotely monitor and manage onboard functions like heating and lighting also features the option to subscribe to a pre-installed Thatcham Category 6 approved pro-active tracker, to keep your investment better protected.

Kon-tiki models come with almost everything as standard, leaving only engine, air suspension, fabric, tow bar and roof rack options.

For High-line overcab option the following specification changes apply:

Berths (sleeping positions)	+ 2
Mass in Running Order	+ 60kg
Maximum User Payload	- 60kg
Overcab Bed	1.91m x 1.37m / 6'3" x 4'6"
Overall Height	3.08m/10'1"

All other specification as table

1. The Maximum User Payload includes:
 - a) the conventional load (this is the allowance for passengers)
 - b) essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
 - c) optional equipment (items available from the manufacturer over and above the standard specification)
 - d) personal effects (those items not covered by the above)
2. The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder.

The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
3. Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
4. Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.

** For optional roof ladder add 120mm to length and 100mm to height on low-line.

Please note that the additional weight of the tow bar and trailer nose weight increases the rear axle loading of the motor home so care should be taken that the rear axle load is not exceeded when towing. To ensure adequate road holding, the load on the front axle under all conditions, must not be less than 40% or more than 70% of the total weight. Care must be taken when distributing loads. The loadings and weights above are maximums and must not be exceeded under any circumstances. The maximum trailer weight is limited by the Gross Train Weight which must not be exceeded. For example, if the vehicle is at the maximum MTPLM of 5000kg, then the maximum trailer weight possible is 1000kg. Reducing the weight of the vehicle by removing payload, will allow you to increase the trailer weight up to a maximum of 1600kg.

‡ Maximum trailer nose weight limited to 40kg

KON-TIKI FEATURES

Base Specification:

Fiat Chassis Van

- Black metallic cab and Black Edition graphics
- Front bumper finished in body colour
- LED daytime running lights
- Fiat Euro 6 150bhp, 2.3 litre engine
- Dashboard design with fully integrated factory-fit DAB Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and wing mirror antenna for better reception
- High-level instrument cluster with chrome trims
- Bronze dashboard trim
- Cab battery isolation switch to prevent discharge in storage
- Cab air-conditioning
- Cruise control
- Leather steering wheel and gear knob
- Steering wheel controls with volume control and phone compatibility
- Driver and passenger airbags
- Concertina windscreen blind and side window blinds
- Cab carpet (removable)
- Captains chairs with twin armrests and integrated headrest
- Driver and passenger seats both with:
 - Swivels
 - Position, height and rake adjustment
 - Two armrests
 - Fully upholstered covers
 - Seat base surrounds
- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Variable power steering
- Key fob operated remote central locking of cab doors and entrance door
- Electric operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Adjustable steering wheel position
- LED swan neck reading lights
- Central cup holder with slot for full width tablet and wall pocket for smart phone with USB port for charging
- 12V socket and USB socket
- Dash mounted tablet holder

Body and Exterior Equipment

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- SMART construction with full GRP bodyshell:
 - Strong, moisture proof 'PURE' Polyurethane timberless framed body shell with HD polystyrene insulation core
 - Balanced panel 31mm sandwich side walls with GRP outer and inner skin
 - 44mm 'Sandwich' floor construction with GRP outer skin, ply upper and high rigidity Styrofoam core
 - 36mm 'sandwich' construction, closed mould, hail resistant exterior GRP roof, fully bonded for extra strength and flatness, and GRP inner skin
 - Full height GRP rear panel
- Fiat/AL-KO double floor, wide track chassis housing water tanks, plumbing, heating ducts and underfloor storage tray(s)
- Low-line models with skyview panoramic opening sunroof
- High-line models with large A-Class style aluminium framed, gas strut assisted over-cab bed
- Dynamic graphics scheme coordinated with cab
- Strong extruded aluminium skirts
- Pull-out underfloor pannier locker for water hose and electric cable reels
- Exterior access doors for easier storage under seats/bed
- Garage door on both offside and nearside (on 635, 679)
- Seitz high specification entrance door with secure 2-point locking, window, integral flyscreen, door retainer, bin and stepwell light
- Single key for all habitation doors
- Flush fitting aluminium-framed double glazed opening windows
- Two opening windows in high-line overcab area
- Stylish 16" alloy wheels
- LED front marker lights
- Side marker lights
- Rear light clusters with silver casing
- Low energy LED exterior awning light (two on the twin axle models)
- Twin view colour reversing camera allowing use en-route*
- High-level brake light
- Compartment for two 13kg gas bottles with butane/propane regulator and propane hose
- **New** built in Wi-Fi via boosted 4G/3G signal, includes first year subscription
- Full length roll out Fiamma F45L recessed awning
- Integrated longitudinal roof bars (load carrying cross bars and ladder optional)
- BBQ point
- External shower point
- Spare wheel on under slung carrier (stored in garage 635 & 679)
- Heavy duty rear chassis members ready for optional towbar
- Bike rack fixing rails fitted to the rear

Living Area

- 'Carabu' part SwiftShield soft furnishing scheme
- Scatter cushions and bolsters
- 'Aralie Sen' woodgrain with contemporary colouring
- Gloss finish locker doors with Hessian colour inlay
- Chrome handles with push-button locks on overhead locker doors
- Moulded over-cab base with storage recesses in high-line models
- Moulded over-cab storage lockers in low-line models
- Swift Group spaceframe locker construction
- Ergonomically shaped rear travelling seats with safety frame supports
- Two-position front seating arrangement providing L-shape lounge or two forward facing travelling seats (635, 669 & 679)
- Lap and diagonal seat belts on all designated passenger seats
- Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable
- Bed mattresses and lounge bench seat cushions supported by beech slats for extra comfort
- Removable aluminium ladder to the over-cab bed in high-line models
- Wardrobe lighting
- Lounge seat and bed tops with sprung support for easy access
- Seat backrest ventilation boards
- Adjustable swivel-arm coffee table (except 649)
- Freestanding table
- Dedicated storage location for tables
- Travel lock for TV brackets where fitted
- Black branded speakers
- Domestic style mortice locks on wardrobe doors
- Pleated cassette blinds with flyscreens on all windows
- Luxury curtain tabards
- Concertina action door flyscreen
- Chrome entrance doorway grab-handle with LED lights

- Two Midi-Heki skylights with flynet and adjustable blinds (one on single axle models)
- Sectioned removable carpets for flexibility
- 'French Oak' effect, high impact, scratch resistant floor lino
- Removable stepwell mat
- Smoke alarm
- Carbon monoxide alarm

Kitchen

- Beige 'Hessian' effect kitchen cabinets
- 190 litre Dometic 8-Series automatic energy selection fridge/freezer (112 litre in 649)
- Exclusive Dometic CU600 oven, designed for motorhome use with separate grill and dual fuel hob with 800W electric hot plate, electronic ignition and flame failure protection
- Built-in microwave oven with digital controls in stainless steel surround
- Kitchen extractor fan with light
- HI-MACS® natural acrylic stone solid kitchen work surface
- Stainless steel underslung sink
- Removable drainer and food grade nylon chopping board
- Kitchen mixer tap
- Printed back-lit acrylic splashback
- Pull-out storage baskets
- Crockery storage tray with moulded pockets and retaining straps
- Soft-close drawers for smooth operation

Washroom

- Fully lined separate shower cubicle
- Ecomamel Orbit shower head with on/off button for a powerful shower that uses less water
- Shower bi-fold door retained on track for improved access
- 32mm thick entrance door with decorative inlay, domestic style mortice lock and handle
- Vanity cupboard with built-in washbasin
- Vector chrome effect vanity mixer tap
- Etched mirror with lights
- Overhead storage locker
- Thetford C260 swivel cassette toilet with electric flush and 18 litre wheeled tank
- Shower room radiator
- Skylight with flyscreen
- Mini LED down lights

Heating and Plumbing

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Alde dual fuel radiator central heating and water heating with daily programming, LCD control panel with 1kW, 2kW or 3kW settings
- Alde circulation pump with 5 speed settings
- Zonal control of Alde heating
- En-route heating system utilising engine output to run radiators, providing cost free on road heating
- Truma 'Crash sensing Mono' regulator for en-route use of heating and water heating
- 125 litre underfloor, insulated fresh water tank with level sensor
- 100 litre waste water tank with level sensor
- Large bore rigid waste pipes insulated for winter use
- Winter Pack fitted as standard with fresh and waste water tank heaters, underfloor waste pipe insulation and fridge vent covers
- En-route heating for underfloor water tanks to keep defrosted
- Pressurised fresh water system with self-priming pump and accumulator
- 12V exterior power point for pump filling of water tank (pump not supplied)

Electrical

- Enhanced Swift Command control system with updated 'user friendly' app interface:
 - Pre-installed Thatcham Category 6 approved pro-active tracker (subject to annual subscription).
 - Swift Command Intelligent power supply unit with LCD control panel; Functions include, battery selection, battery state meter, lighting and water pump circuit controls, internal & external temperature, internal humidity levels, 230V load limiter (settable between 5 amps & 16 amps), solar panel charging levels, heating controls and Bluetooth connection
- **New** fridge control and monitoring.
- **New** Dometic Freshjet aircon control (dealer fit option)
- Swift Command app allows certain functions to be controlled/monitored remotely and comes with:
 - Remote levels viewing
 - Remote control of power, lighting and heating
 - Enhanced remote heating controls with **New** heater status bar
- **New** 'Places of Interest' feature including 'Campsites' from the Camping & Caravanning Club
- Two fully sealed, long life, 100 Amp-hour leisure batteries in underfloor compartment
- Minimum of 9 mains 230V chrome sockets (including two in cab area and one in the garage where applicable)
- Dedicated cupboard space for satellite de-coder with mains 230V and 12V sockets
- Two TV stations, at least one suitable for 19" TV
- Mains 230V supply via easy-access eye-level consumer unit to sockets, fridge, microwave oven, combi boiler and battery charger/transformer
- 25 Amp/300W charger/transformer for leisure batteries
- Ultra-low energy lighting system:
 - LED spotlights with down lighters
 - LED strip lighting over lockers
 - Adjustable LED cab reading lights
 - Lighting in underfloor storage trays
 - Low-level night lights
 - Dimmable interior lights
- 120W solar panels
- Status 570 TV aerial
- Roof and cable preparation for satellite dish installation
- 25 metre mains hook-up cable

Customer Service

- Exclusive online Connect Direct account with direct access to Swift

Options:

Factory Fit

- Upgrade from Fiat Euro 6 150MJ to Fiat Euro 6 150MJ engine with Comfort-Matic auto gearbox with ESP (625 & 635 only)
- Upgrade to Fiat Euro 6 180bhp, manual 2.3 litre engine (649, 669 & 679 only)
- Fiat Comfort-Matic automatic gearbox and upgrade to Euro 6 180bhp, 2.3 litre engine with ESP (649, 669 & 679 only)
- Premium air suspension from AL-KO for rear axle or 4 corners - increases in ride comfort with automatic self-leveling
- **New** 'Vele' full leather soft furnishing scheme
- Detachable homologated tow bar and electrics
- Roof rack and ladder

Dealer fit options

- Annual subscription to Swift Command Tracker by Sargent
- Dometic Freshjet air conditioning unit
- Thule Elite G2 two cycle rack*
- Oyster satellite system (model dependent)

*Dependent on model, visibility through optional rear camera may be reduced when bicycles are carried on the optional bike carrier

KON-TIKI FABRIC OPTIONS

In addition to the standard fabric, a full leather scheme is available an optional extra .

'Carabu' upholstery scheme
Kon-tiki standard fabric (part SwiftShield)

'Vele' full leather upholstery scheme
Optional fabric

SWIFT
SHIELD

SwiftShield fabric has a soft suede type feel and has been treated during manufacturing to resist stains. It is very easy to clean and just requires a soft cloth dampened with water to remove most stains. SwiftShield is exclusive to Swift Group, you can find out more on Swift TV.

www.swifttv.co.uk

VALUE ADDED PARTNERS

Swift is delighted to have secured exclusivity to fit the Duvalite mattress as standard in all fixed bed models across all motorhome ranges. This innovative lightweight Memory Fibre Mattress is as comfortable as memory foam but has many other benefits. Constantly innovating Duvalay ensure our customers have the premium night's sleep they need and deserve.

Way back in 1994 Swift chose Alde heating systems to help make their motorhomes feel more like home. Proudly made in Sweden since 1949, Alde delivers the quietest, most comfortable motorhome heating for the great explorers of the world, and keep on innovating to this day. Swift motorhomes are tested down to minus 15 degrees to ensure you stay cosy no matter where your journey takes you.

Swift recommend Oyster satellite TV and broadband. Permanently mounted dishes fold away neatly when travelling then raise and locate the satellite signal automatically seconds after activation. Made in Germany, they come with a 3 year warranty and there is a dedicated UK service centre.

Diamondbrite LEISURE

Swift are partnering with Diamondbrite Leisure - the ultimate in Paint & Upholstery Protection for your motorhome. The exterior nano-ceramic treatment forms a high-gloss coating for easier cleaning and never needs polishing, while the upholstery protection resists staining. It is professionally applied at your dealership and comes with a lifetime guarantee plus complimentary aftercare pack.

CHOSEN CHARITY

Swift Group are proud to support a charity local to them called the Daisy Appeal. The Daisy appeal is giving loved ones faster, more accurate, diagnosis of three of the region's biggest killers – cancer, heart disease, and dementia.

The Charity's aim is to provide a world-class PET-CT scanning facility which will provide a comprehensive clinical service alongside an ambitious clinical research programme exploring new applications of imaging techniques.

Currently in the UK, most PET-CT scanning is carried out on cancer patients. However, it has great potential in various heart, neurological and other diseases. Many of these will necessitate the use of short half-life radioactive 'markers' which will need to be manufactured on site. Hence the requirement of a purpose built cyclotron, radiochemistry and radiopharmacy facility.

For every caravan, motorhome and holiday home sold, Swift Group make a donation to the Daisy Appeal, helping them to reach their goal of becoming the UK's number one PET-CT service.

To find out more visit www.daisyappeal.org

PURE ASSURANCE

The difference is Swift

Your head says you need a motorhome that's durable, functional, comfortable, safe and secure. Your heart wants great design and a great choice. With Swift you can have the best of both worlds with the backing of a company established over 50 years.

DURABILITY

- Unique SMART construction system
- Rigorous safety testing at Millbrook and cold chamber testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a lifetime. This is all part of the Swift ethos to deliver the best product possible to you
- Balanced panel side walls with GRP outer and inner skins. GRP is more impact resistant than aluminium and can be easily repaired, ensuring long lasting good looks and securing your investment for the future
- Assured build construction with a manufacturer backed, free 10 year bodyshell warranty as standard on all coachbuilt motorhomes

FUNCTIONALITY

- Significant advancements in design and storage that optimise your living and sleeping space giving greater comfort
- A host of money saving developments including improved fuel efficiency and use of low energy lighting
- Alde heating
- Swift Command system, developed with Sargent Electrical, on all models
- Use of Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption and safer towing

COMFORT

- Grade 3 classification of thermal insulation for all year round comfort
- Sprung beech slats for comfortable seating and sleeping
- Regency 100% bleach cleanable carpets designed to repel everyday spills, stains and dirt
- Exclusive Duvalay Duvalite mattresses on fixed beds with memory fibre technology

SAFETY AND SECURITY

- All Swift Group products are certified by the National Caravan Council to ensure they are both legal and safe
- All Swift motorhomes have European Whole Vehicle Type Approval to ensure compliance with strict weight, dimension and safety requirements
- Security includes a pre-installed Thatcham Category 6 approved pro-active tracker as part of the Swift Command system (subject to annual subscription)

STYLE AND CHOICE

- Modern desirable looks inside and out
- Models from entry level to top of the range luxury cater for a wide range of budgets
- Choice of motorhome vehicle weights starting at 3.5 tonnes

ESTABLISHED FOR OVER 50 YEARS

- Experienced company with over 50 years of manufacturing knowledge and dedicated long serving craftsmen
- Europe's No1 manufacturer of Caravans, Motorhomes and Holiday Homes
- Swift Group undertakes one of the most extensive research and testing programmes in the industry to ensure the design team can create products that set the industry standard for style, value and practicality
- Recycling waste and reducing carbon emissions is a fundamental part of the Swift ethos and initiatives are always underway to achieve further improvements wherever possible
- At the forefront of product design with exceptional style, inside and out, just wander into any Swift dealership to see for yourself

DEDICATED CUSTOMER CARE

- We believe our aftersales and customer care are the best in the industry - check out our customer testimonials at swiftgroup.co.uk/swift-group/testimonials
- **Swift Connect** - A multi-million pound investment programme in online technology enables dealers not only to order online, including spare parts, but also to check product availability and delivery dates
- **Swift Talk** - Swift Group's own dedicated social media site is the industry's most popular social networking site. Swift Group staff monitor the forum and answer questions daily, providing invaluable help and support. A number of key suppliers and dealers are also active Swift Talk members
- **Connect Direct** - Connect Direct is our exclusive aftersales service for the ultimate in customer care

PURE STRENGTH

SMART is the basis of our intelligent construction system that is used across our entire coachbuilt motorhome range

As the UK's leading leisure vehicle manufacturer, the Swift Group undertakes one of the most extensive research and testing programme in the industry and we are constantly looking at new and better ways to construct our products.

SMART is based on proven technology which provides a Strong timberless body frame with Modern desirable looks and a leading Aerodynamic shape that is highly Resilient to moisture, all wrapped up in a motorhome that has undergone the most comprehensive Testing.

Balanced panel side walls with GRP outer and inner skins, a hail resistant GRP roof and GRP outer skin to the sandwich floor, creates a full GRP outer bodyshell making it even more resilient.

Carefully developed, SMART construction was only introduced once we were satisfied that it was truly fit for purpose.

Computer numerically controlled (CNC) cutting is used in the manufacturing process to provide accuracy and consistency time after time, to produce a high quality engineered product designed to give you a lifetime of smiles.

STRONG

The Strong timberless body frame uses 'PURE', a tough, hard polyurethane based product, that is totally impervious to water and has been proven through use.

MODERN

The SMART construction system uses Modern materials and has been developed to ensure the exterior profiles maintain the Modern desirable looks our motorhomes are renowned for.

AERODYNAMIC

We continue to lead the way in Aerodynamics using Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption.

RESILIENT WITH GRP SIDE WALLS

Balanced panel side walls with GRP outer and inner skins. GRP is more impact resistant than aluminium and can be easily repaired, ensuring long lasting good looks, securing your investment for the future.

TESTED

Extensive safety and durability Testing at the Millbrook track, and cold chamber Testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a lifetime; all part of the Swift ethos to deliver the best products to you.

All fixings are made into the 'PURE' material to a pre-defined depth. 'PURE' is totally impervious to water and has no veins. This means there is no passage for water from the outer skin to the inner wallboard, making the motorhome highly Resilient to moisture.

FLOOR CONSTRUCTION

'Sandwich' floor construction with ply upper, high rigidity Styrofoam core and GRP outer skin to provide greater durability from the elements.

PURE CONTROL

Swift Command is a real innovation designed to make your touring experience even more carefree.

The perfect tool for touring, Swift Command technology includes a smart LCD control panel that has enhanced functions.

There is also an exciting, free downloadable 'app' that links to the Swift Command unit, so you can be in control wherever you are with the convenience of your mobile device.

Access the clever onboard interface when nearby with Bluetooth or via your internet connection when remote.

Track system levels like power, temperature, humidity and monitor the location of your vehicle.

Custom notification settings keep you informed of functions such as battery levels, frost alerts and alarm status.

For even greater peace of mind you can subscribe to the pre-installed Thatcham Category 6 approved pro-active tracker to add extra security to your vehicle.

Swift Command Tracker by Sargent is monitored by an approved monitoring centre which operates 24 hours a day 7 days a week and provides European coverage and direct police liaison. This system is ready for use, all you need to do is purchase a tracking subscription by visiting www.swiftcommand.co.uk or calling Sargent on 01482 881655.

Head to the Apple or Android store and search for 'Swift Command'.

LIGHTING

Create just the right ambience onboard with easily adjustable lighting settings.

LOCATION AND REMOTE FEATURES

Connect to your leisure vehicle from anywhere to view its systems information and location.

Conveniently control and monitor your onboard services when away from your vehicle.

WATER

Keep an eye on your precious water levels so you know in good time when to top-up.

POWER

Track your energy use and manage your batteries for efficient use of your all important power services.

HEATING

Activate whilst out exploring and enjoy the warmth when you get back.

PURE SERVICE

Connect Direct is an online system which personalises each customer's experience of owning their motorhome

Once you have logged on and created your profile, you will be able to access a whole host of information, specific to your motorhome. In addition you will be able to have a direct line into the retail team, with the launch of a live chat facility.

Should a problem occur, you will be able to report a fault to us directly, enabling us to react

quickly and work together with your dealer to take the problem away from you the owner and resolve the issue as quickly as possible.

Product upgrades and notifications will be sent via Connect Direct keeping you up to date over the coming years. This online system provides a direct route for you into the Swift

Group, and enables us to provide you with proactive Customer Service support, enhancing your experience.

Connect Direct is in addition to the traditional methods of contacting us.

PURE SWIFT

Swift Group's design team is widely recognised as the most innovative and creative within our industry, often leading the future design of leisure vehicles.

DESIGNED AND ENGINEERED

With a wide range of backgrounds including the automotive and interior design sector, our degree qualified engineers and designers draw from a wide range of influences to style our future products. They have the use of computer aided design and 3D rendering to create and analyse ideas before a prototype is even built.

The latest 3D CAD software uses data to drive the CNC machines in the factory to create highly accurate toolings for construction.

AERODYNAMICS

Swift Group work with a leading company, who are also consultants to the Formula 1 industry, to use Computational Fluid Dynamics (CFD) to study the aerodynamics of their product design. A full 3D simulation study shows the airflow and drag and can be used to help shape the bodyshells for better fuel efficiency and towing dynamics.

RIGOROUS TESTING

Everything is designed using sophisticated software and data gathered from physical testing at the Millbrook proving ground and cold chamber testing down to minus 15°C and beyond. Swift are able to simulate how components, fixtures and fastenings will react under certain conditions allowing build optimisation. This results in well engineered robust and durable products.

EXCLUSIVES

Swift work closely to build partnerships with their suppliers to bring exclusive features to their products. These include the following features on top of our innovations:

- Ultra comfortable Duvalay mattress on all fixed beds
- Clever stain resisting SwiftShield fabric

THE SWIFT EXPERIENCE

COUNTRY • COAST • FREEDOM

THE SWIFT EXPERIENCE IS A CULMINATION OF OVER 50 YEARS EXPERIENCE MAKING LEISURE VEHICLES FOR YOU TO ENJOY THE GREAT OUTDOORS. OUR AIM IS TO MAKE YOUR HOLIDAY AS COMFORTABLE AND RELAXING AS POSSIBLE SO THAT YOU RETURN WITH A BIG SMILE ON YOUR FACE.

YOU CAN FOLLOW THE LIVES OF FAMILIES WITH A PASSION FOR ENJOYING THE FREEDOM THE SWIFT LIFESTYLE CAN OFFER AT:

NOT YOUR AVERAGE TRIP TO THE COUNTRY

Wake up to the sounds of nature, feel the morning dew on your feet, hold a cup of tea in your hand as you experience the sunrise over the hills and the sunlight streaming through the trees.

CREATING
SMILES FOR
LIFE
- BUILT IN BRITAIN -

Morning breakfast made from the fresh local produce of the farm shop down the road, a bacon sandwich has never tasted so good. The days are full of possibilities; walking in bright green fields with sheep and cows, birds soaring high on the thermals and not a care in life, just anticipation of what is round the corner. Kids can be kids, running and playing, swimming in lakes, skimming stones, riding bikes, climbing trees and paddling canoes.

It's all about remembering the smiles on everyone's faces.

Live it. Experience it. Breathe it.

Adventure is allowing the unexpected to happen to you. Exploration is experiencing what you have not experienced before. How can there be any adventure, any exploration, if you let someone else - above all, a travel bureau - arrange everything before-hand?" *Richard Adlington, Death of a Hero.*

THERE IS NO PLACE LIKE THE COAST

CREATING
SMILES FOR
LIFE
- BUILT IN BRITAIN -

S Seagulls soaring, the sound of the waves lapping at the shore, sand between your toes and the fresh sea air, it's the simple things in life that bring the most joy.

Bucket and spade in hand, building sand castles, collecting shells and soaking up the sun on the beach with an ice cream or candy floss; it's what the seaside is all about.

With coastal parks a stone's throw away from seaside adventures you can enjoy a prime holiday location with all the comforts of home. Imagine the kids playing happily with new friends while you relax nearby and even the dog can come too.

As the end of the day draws to a close, you get to relax in the comfort of your own motorhome, head refreshed from the day's activities and ready for tomorrow's adventure.

With a Swift Motorhome you have the freedom to roam at your pace, in comfort and style. You can be spontaneous or carefully plan your break away to create precious memories and tales to treasure for a lifetime.

The ocean stirs the heart, inspires the imagination and brings eternal joy to the soul.
